Dom,

Even though I don't know you too well I have enjoyed sitting by you in geometry. Made me feel good to know someone else is as dumb as me. You're a really nice guy and I hope you are always happy. Have a fun summer! See ya next year

Love, Kathy

A photograph of a river scene. In the foreground, a large, dark tree trunk leans from the right side towards the center. The background is filled with dense, dark foliage and trees. The river flows through the center, with some white water visible. The lighting is soft, suggesting a late afternoon or early morning setting.

Think of the importance of friendship in the education of men. It will make a man honest; it will make him a hero; it will make him a saint. It is the state of the just dealing with the just, the magnanimous with the magnanimous, the sincere with the sincere, man with man.

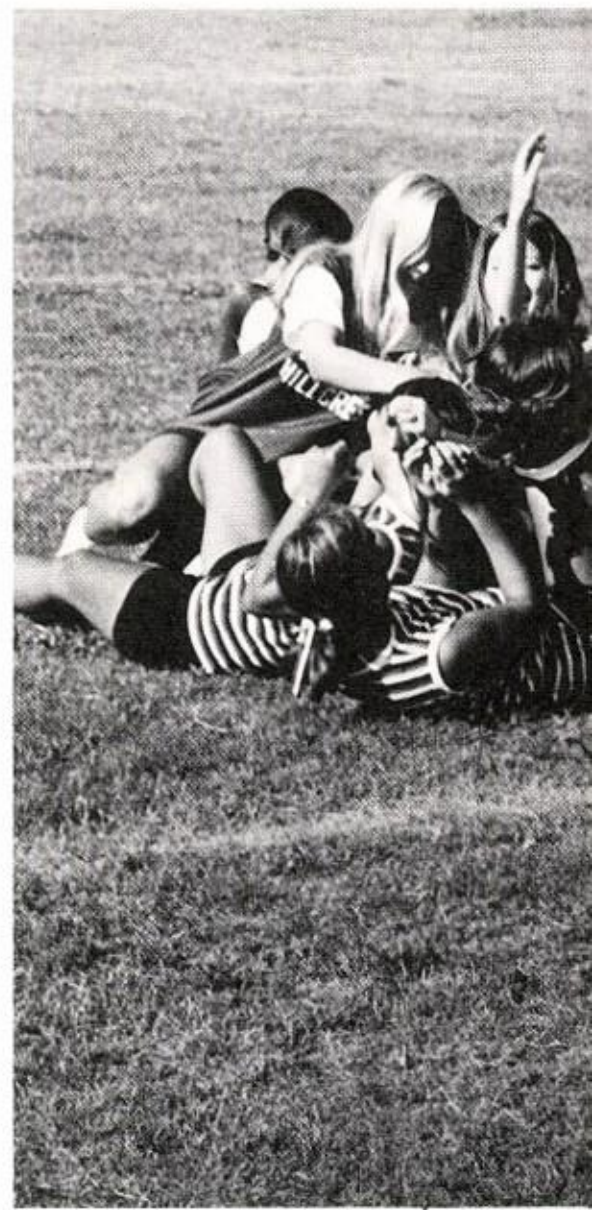

Henry David Thoreau

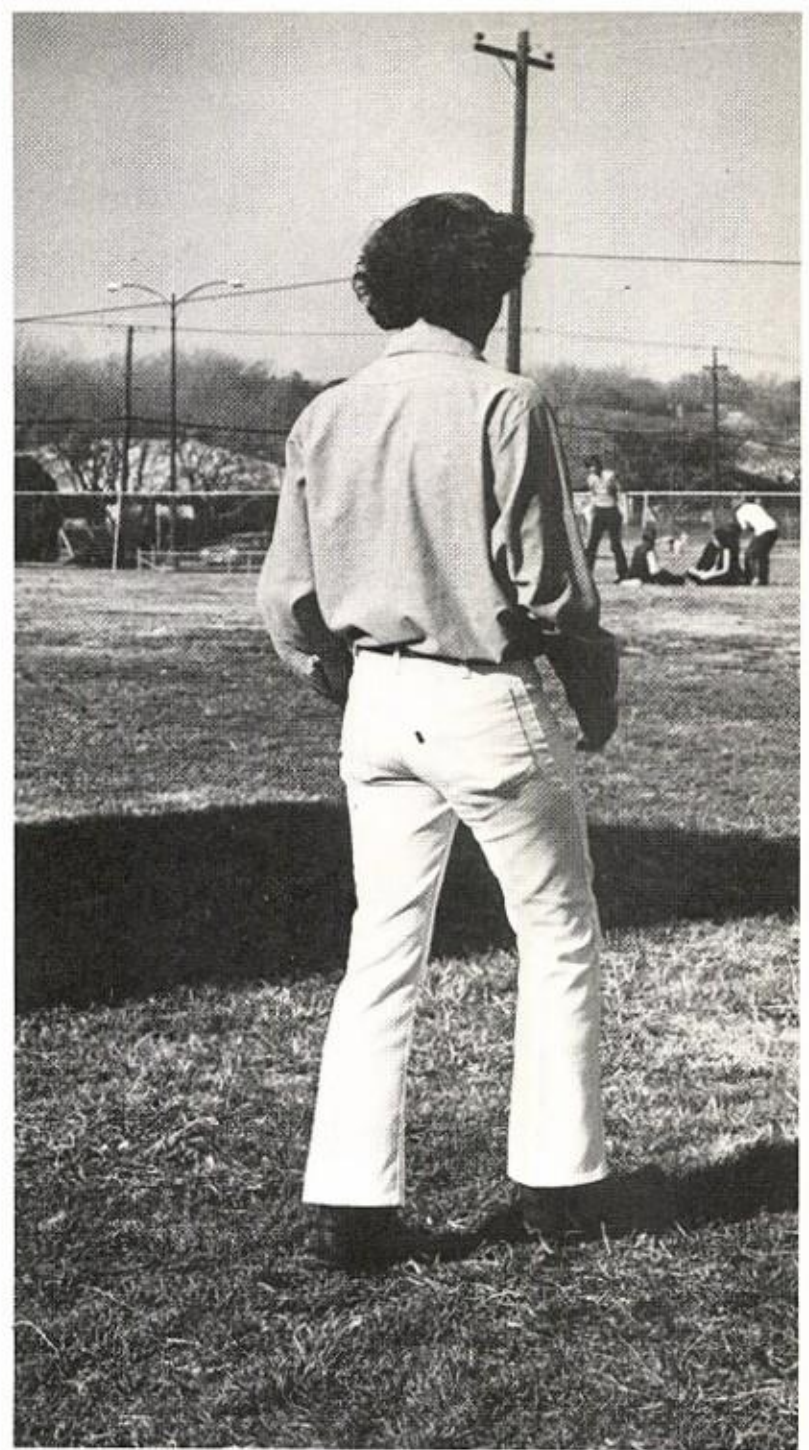

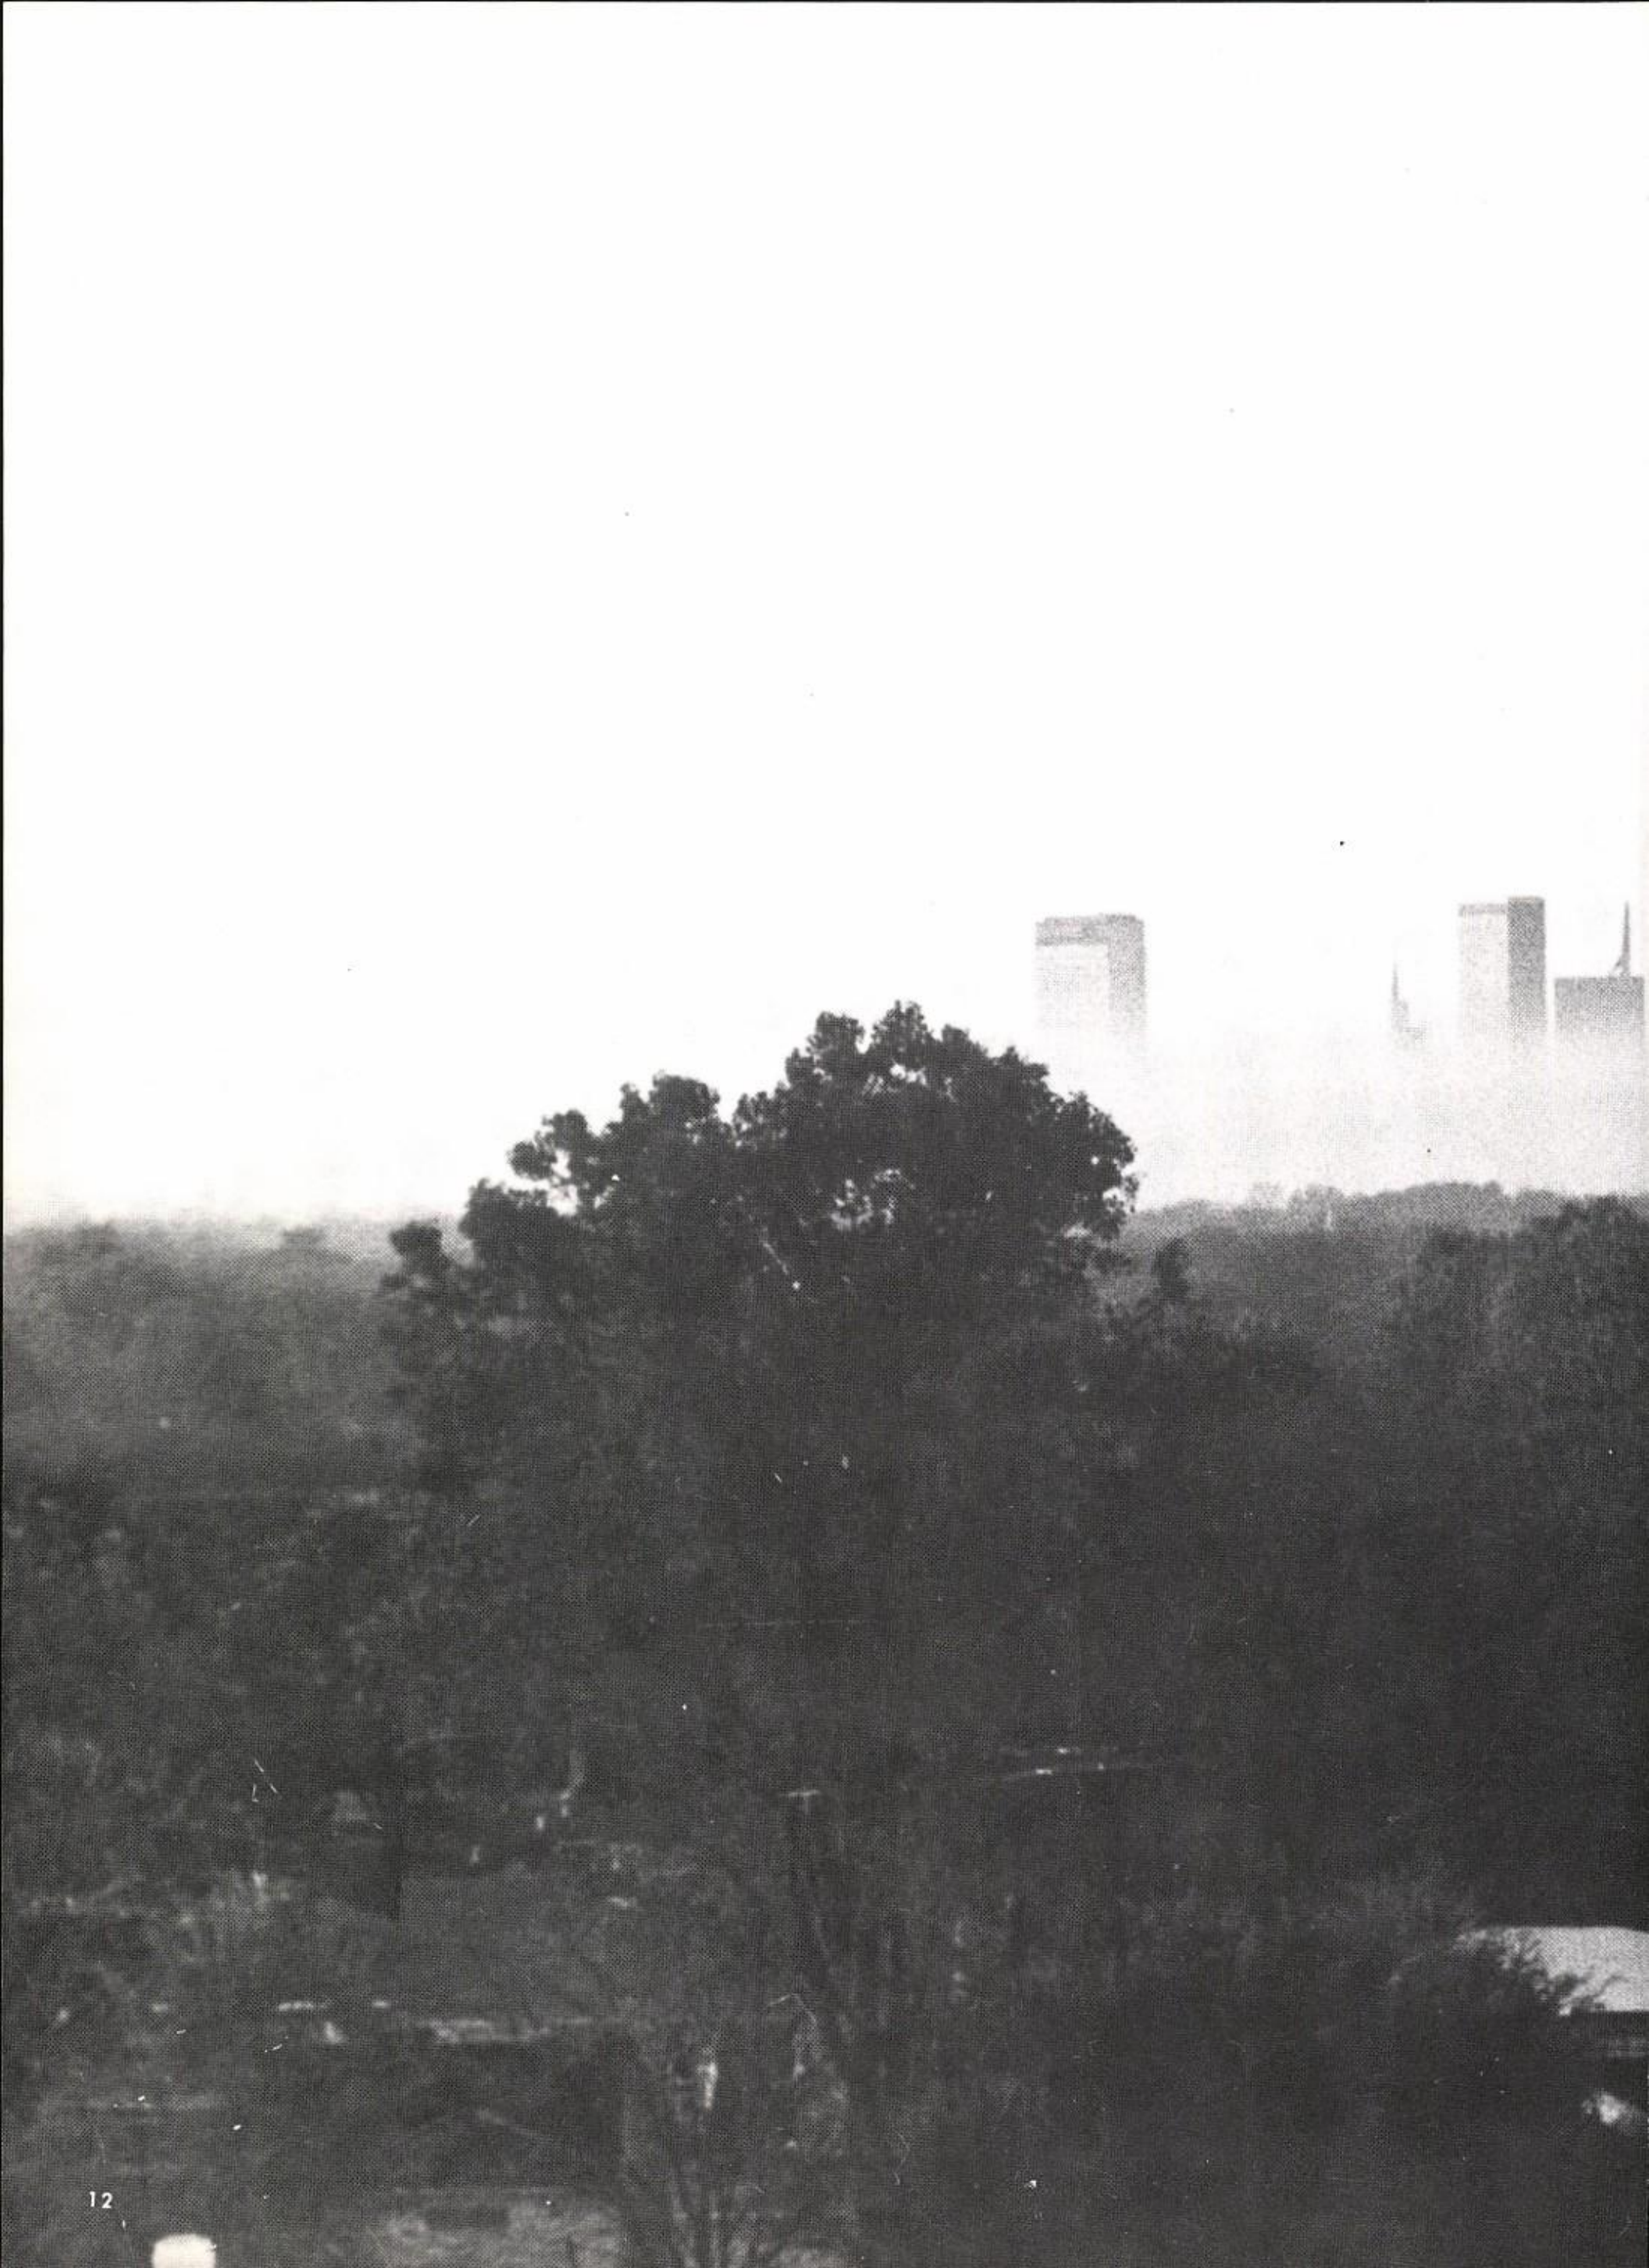

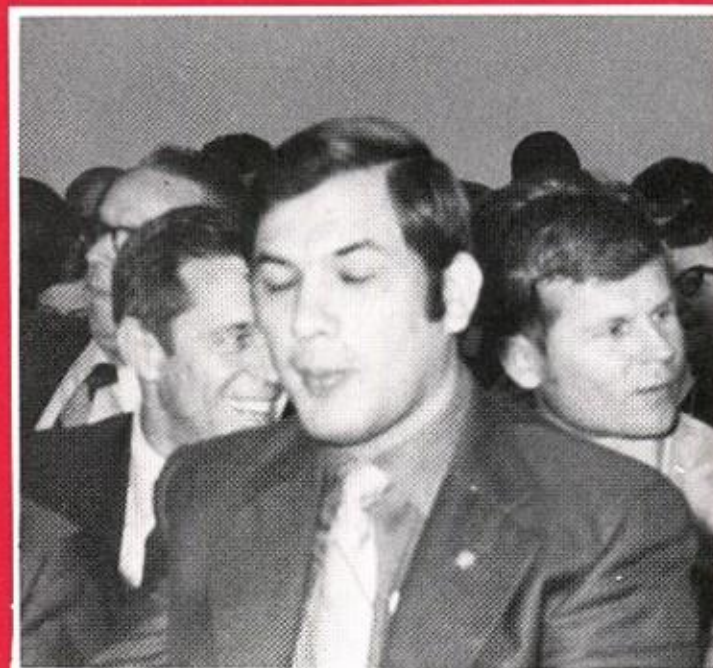

*Because of the
zeal and enthusiasm
with which she works
and her high esteem
with the students.*

*We dedicate the 1971 Panther to
Miss Margaret Hudson*

Spring

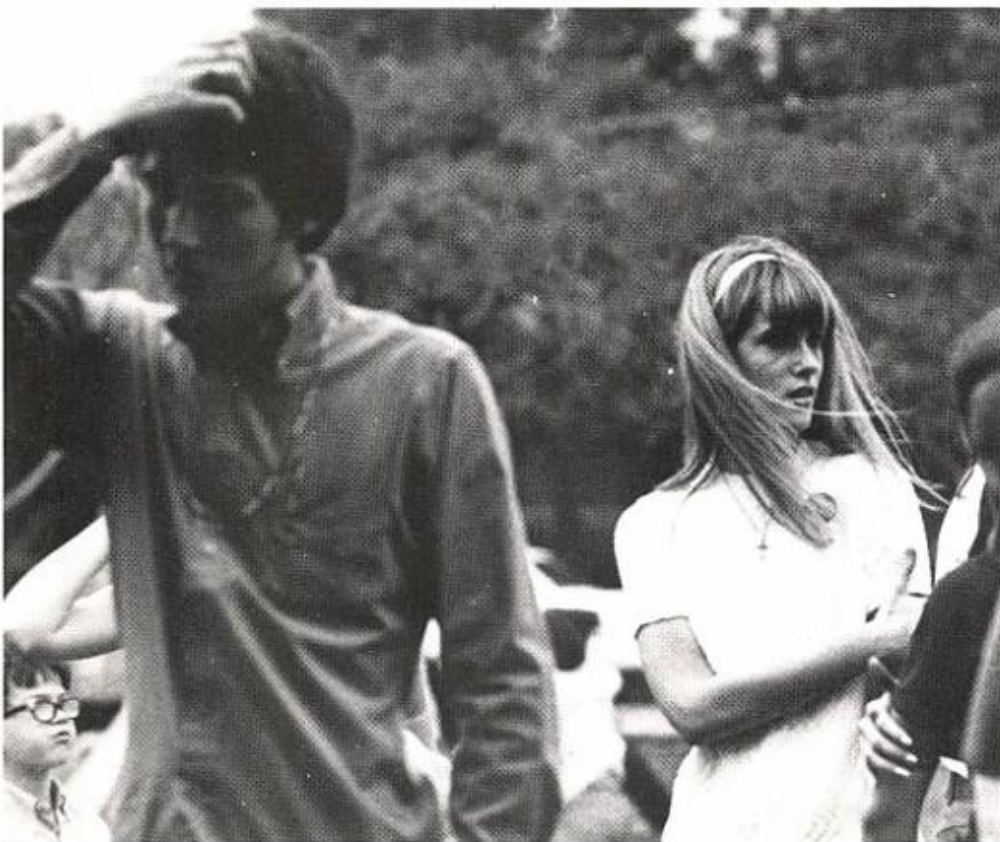

Was there **really** a dead cockroach in your salad???

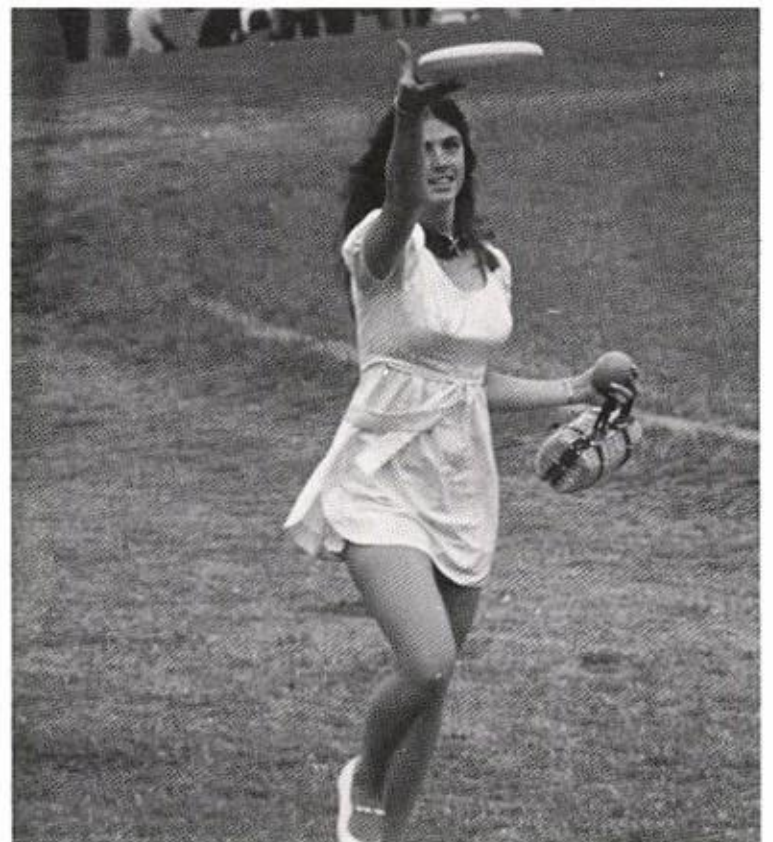

NO! You dirty old man! I won't give you a little kiss!

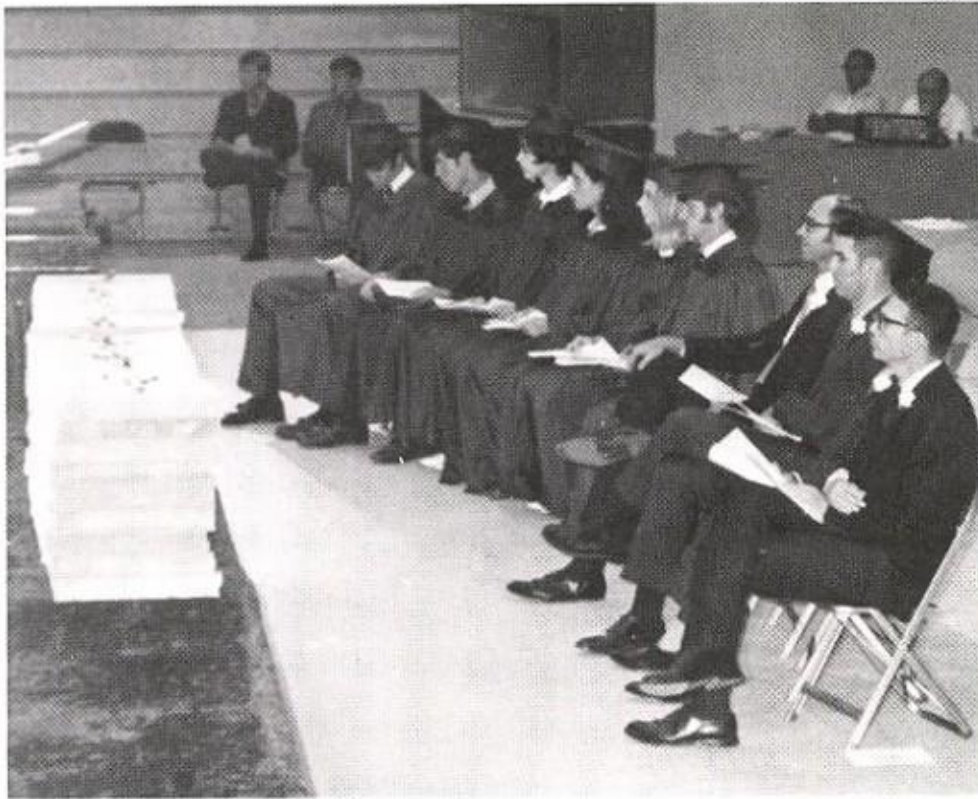

But what will I tell Ronald if Harold calls before Sydney???

NOW what did I do to make her mad???

Use Protein 21 — cure the frisbees.

And maybe next year we can have more seniors pass.

That bully **GLUED** it to my **CHIN**!

Boy, this club news is really getting **RACY**.

Hi

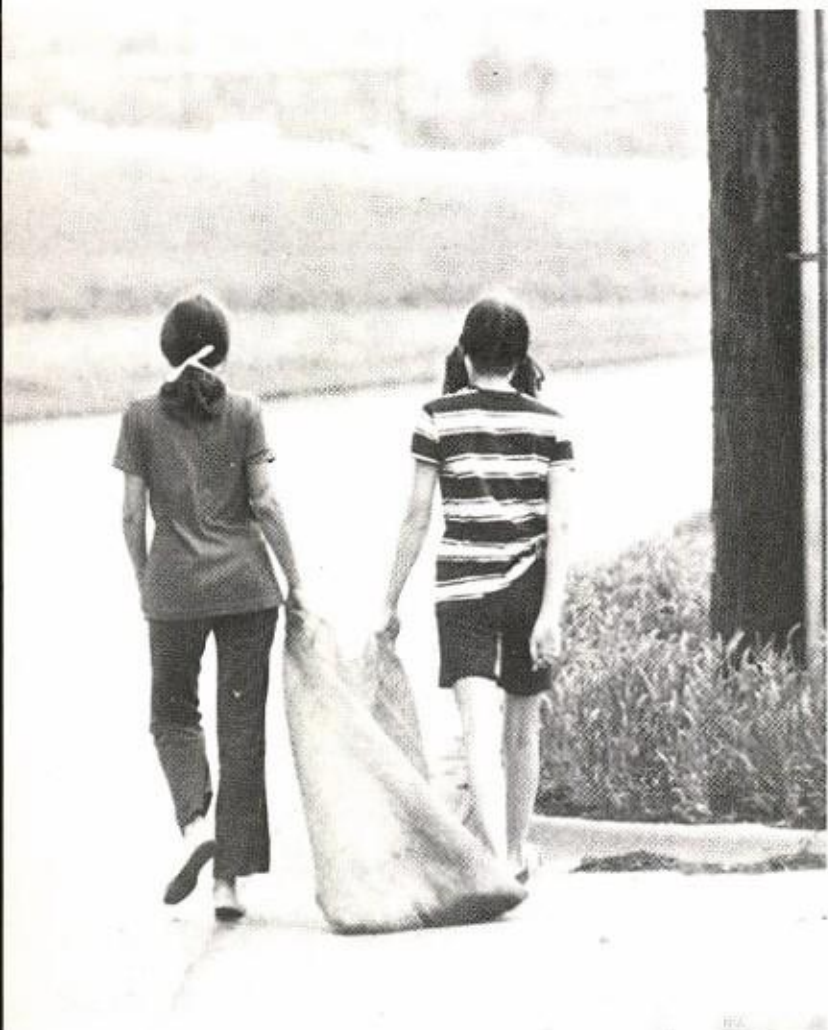

And then he gave me the wrong order, and spilled mushrooms on my lap . . .

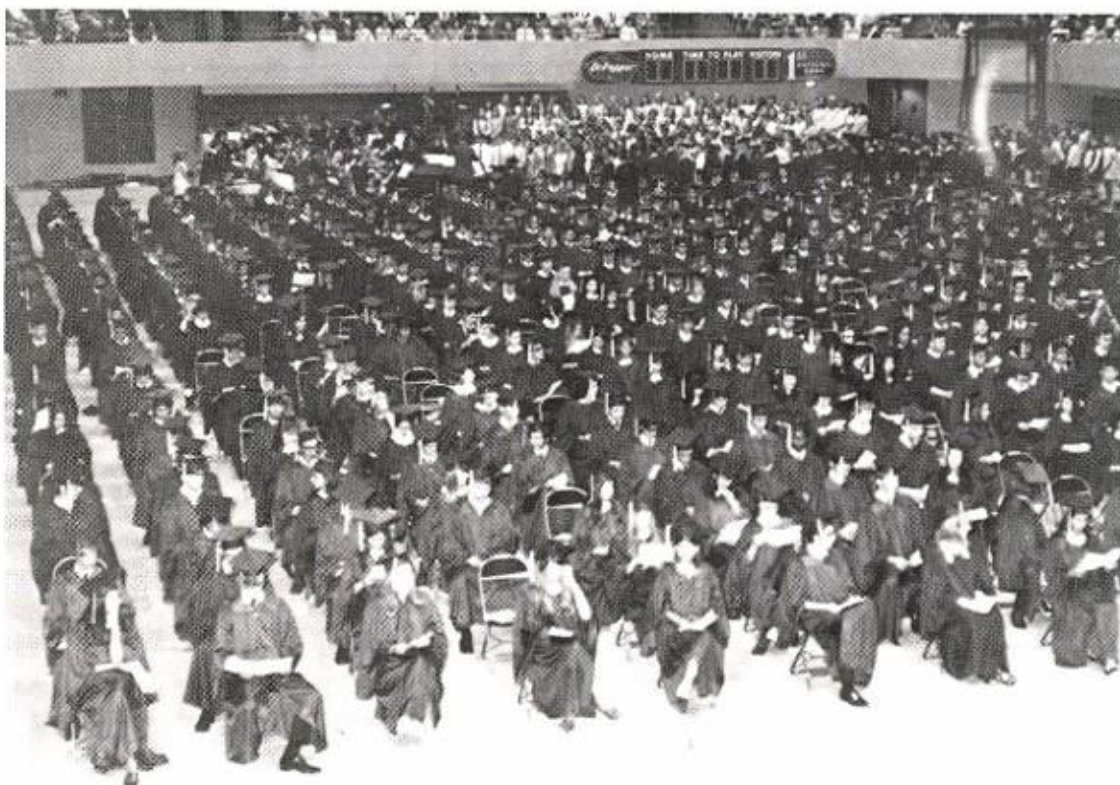

The size of this picture is one foot by one foot by one foot by another foot by . . .

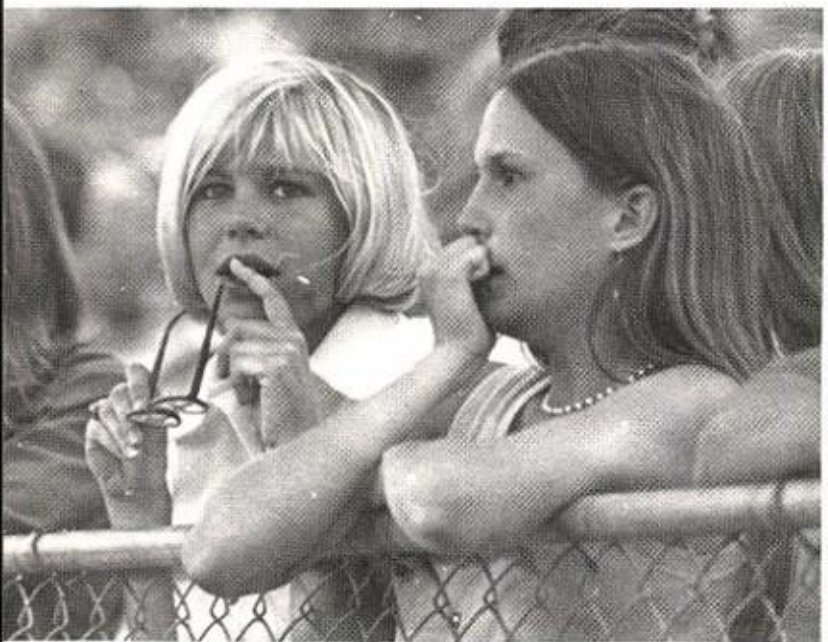

I wish there was some other way to catch a senior boy.

Don't throw your caps . . .

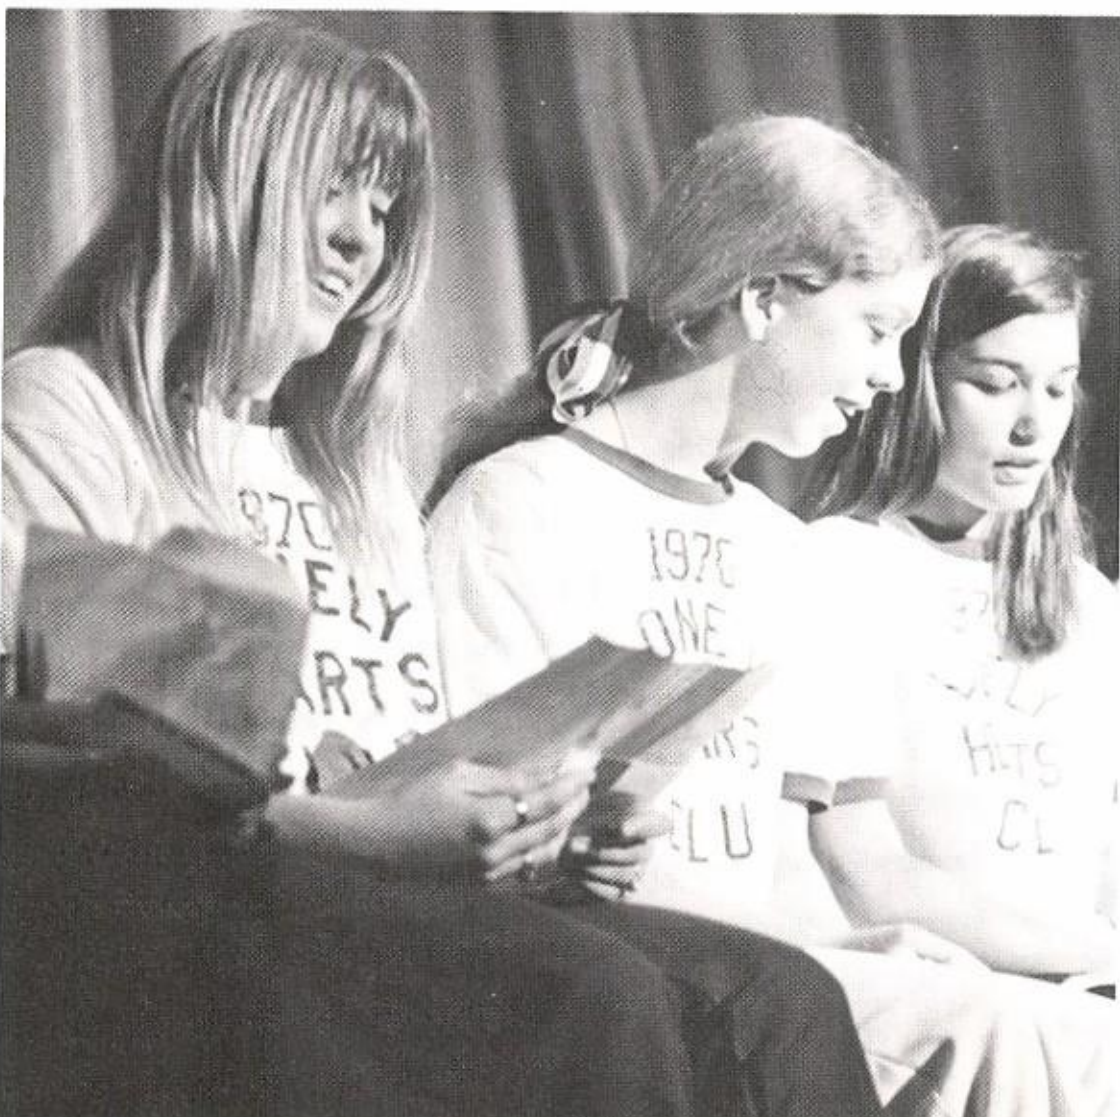

Allison, don't look now but Robert's with Sally — AGAIN.

That's real nice Steve, but you wrote the same thing last year.

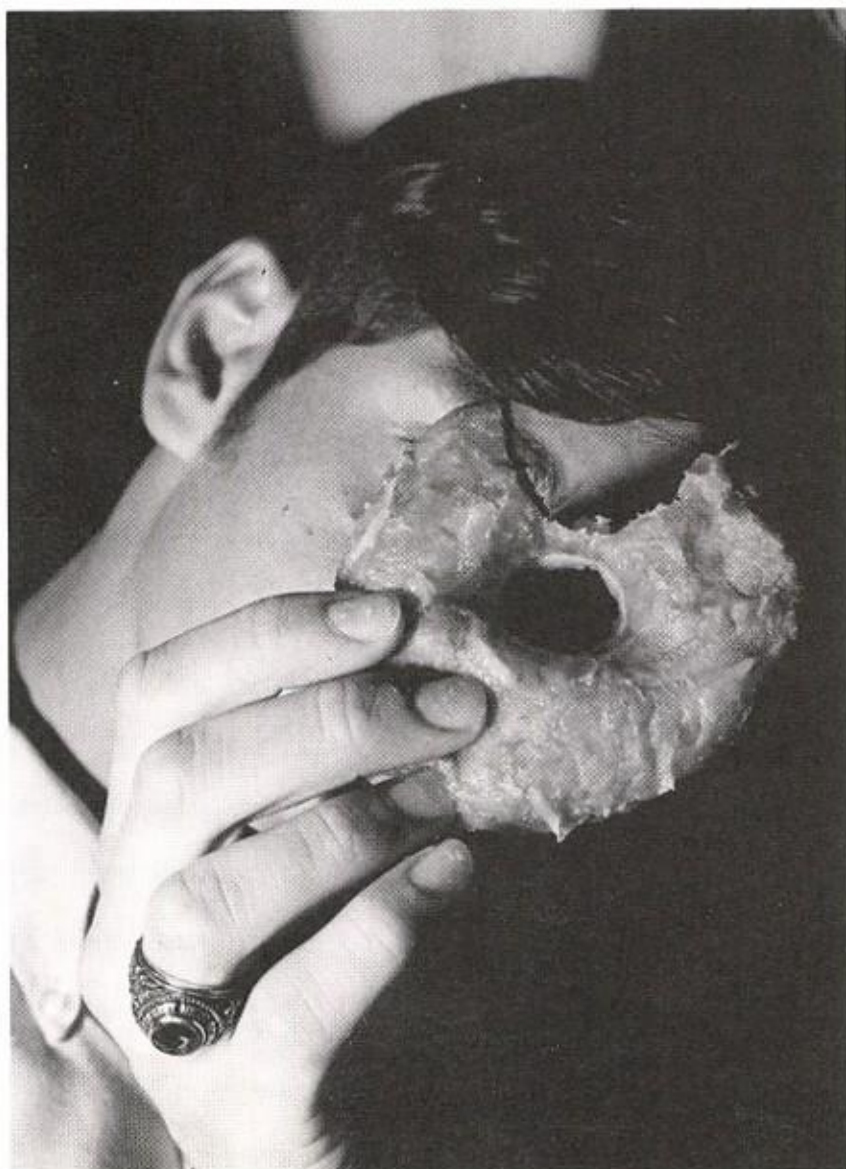

SENIOR PROM 1970.

Ninety-nine bottles of beer on the wall.

You said **what** is crawling down my leg?

I see Debbie, and Billy, and little Timmy's out there today.

Celia and who got editor?

"Through the mirror of my mind, time after time I see reflections of you and me and the way life used to be."
Lettermen

Now, Sally, we don't chew with our **MOUTHS** open, and we **DON'T** throw food.

I wonder if that's how my barber got started.

Summer

They are just my mom's old culottes.

So, this is 4th year art.

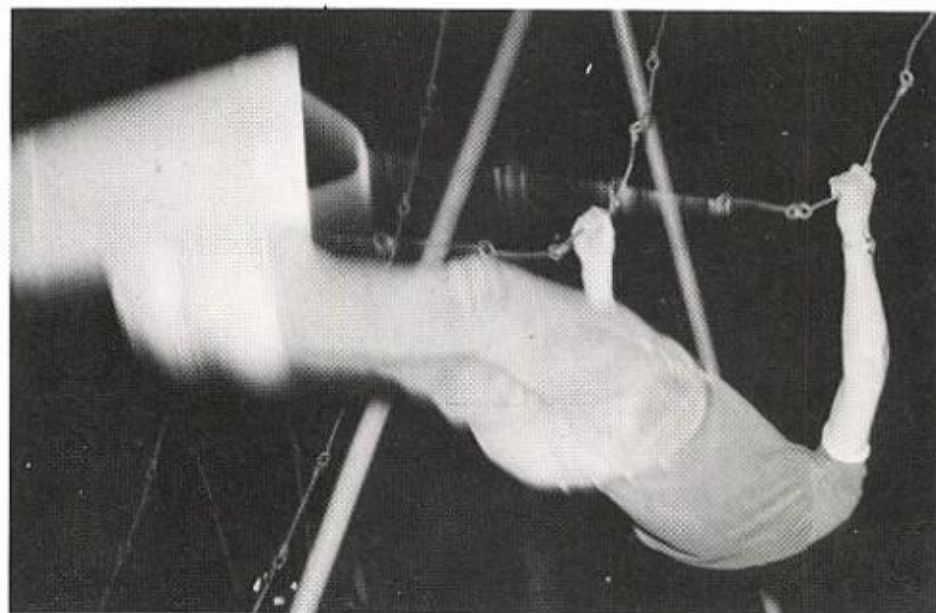

And, we all fall down.

Bottoms up!

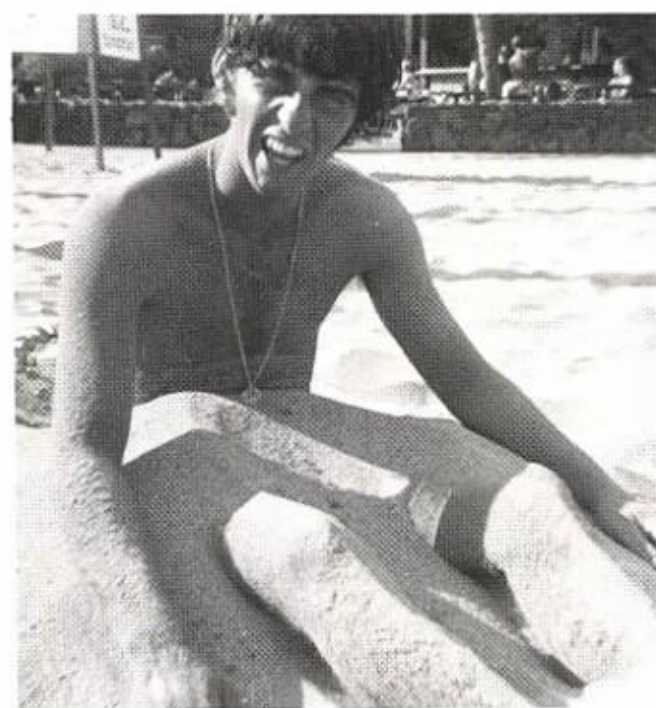

Vipa WHO???

HHS Cootie Queen 1970

You make your peace sign — I'll make mine.

Look what that big beach bully did to me!

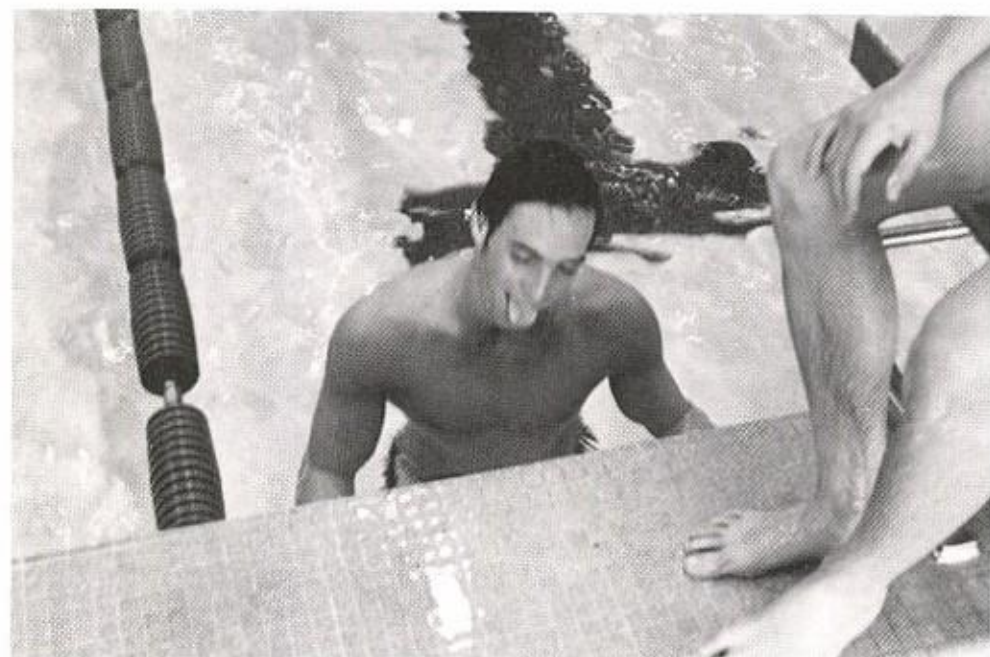

PLEASE don't throw me in!!! (notice how she is struggling.)

But Mr. Burns, I didn't MEAN to play awful last night.

Electricity does it better. (to your hair)

Can I just have a little TASTE of your toes?

What will the community think?

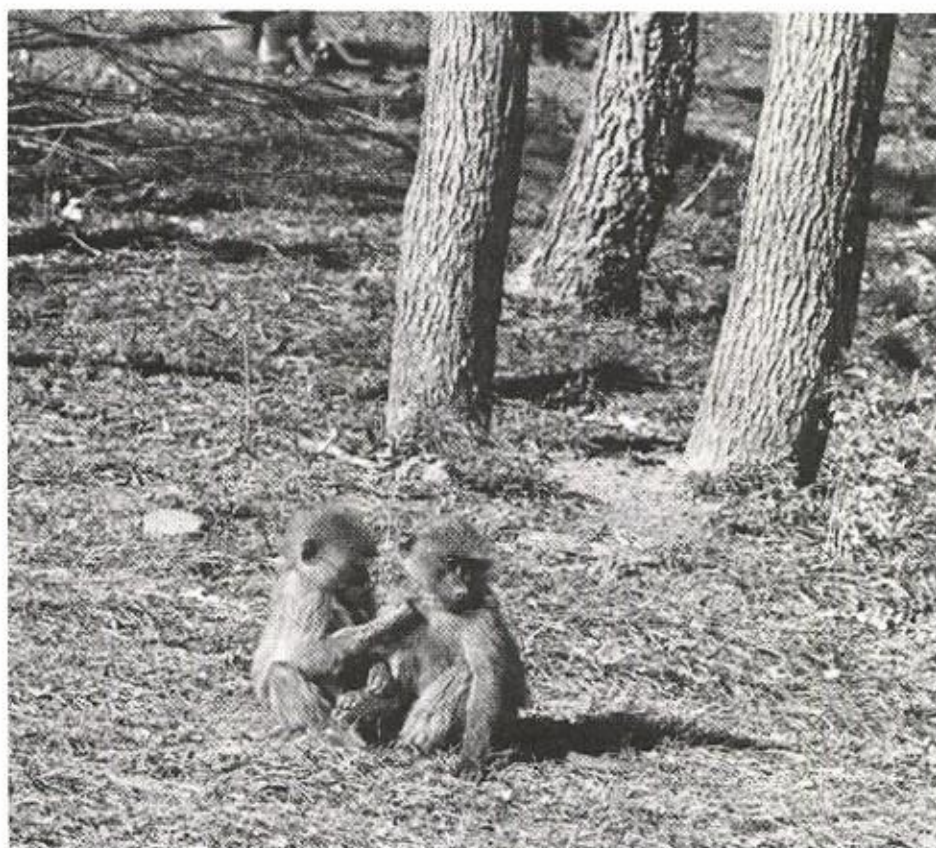

S u m m e r

Okay, okay, you can be in the annual . . .

And you should see some of her other tricks.

Okay I'll pick you up at eight.

Oh PLEASE stop playing that song!

Oh dear, that gum's been behind my ear for a week.

And I promise on behalf of the senior boys that I will drink nothing but Coke at the football games . . .

And NOW, boys and girls, I have a SURPRISE for you!

You should see their high kicks.

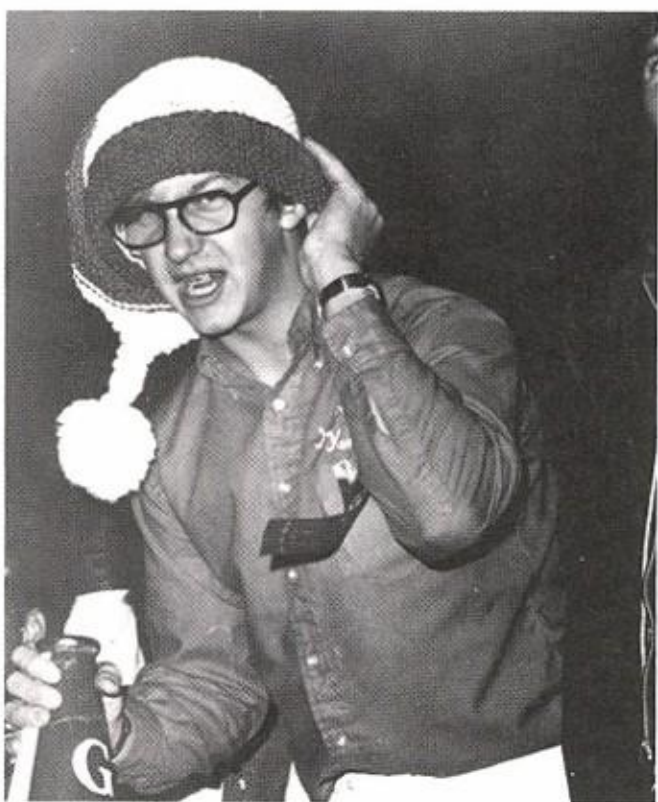

Oh, Anne, I think it means we're going steady!!!

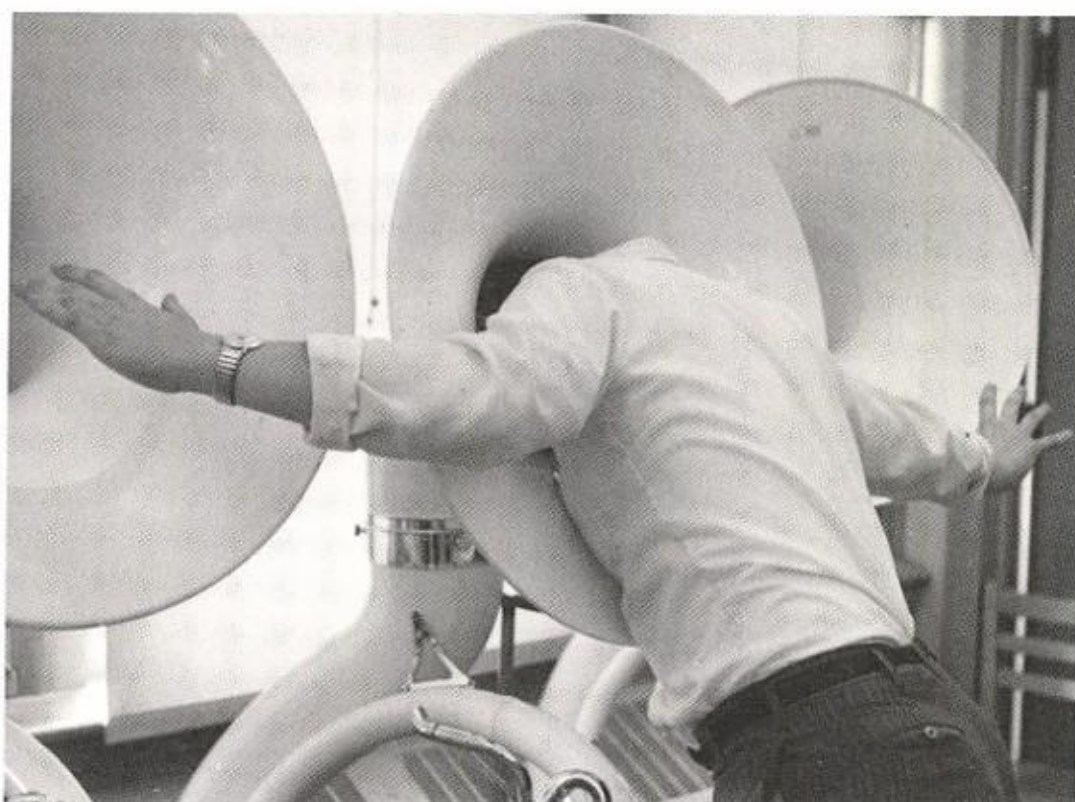

Practice what you preach, girls.

The power of accurate observation is commonly called cynicism by those who have not got it.

Fall

Oh, Kent . . . your hair isn't **THAT** bad.

Let go of my **NOSE!**

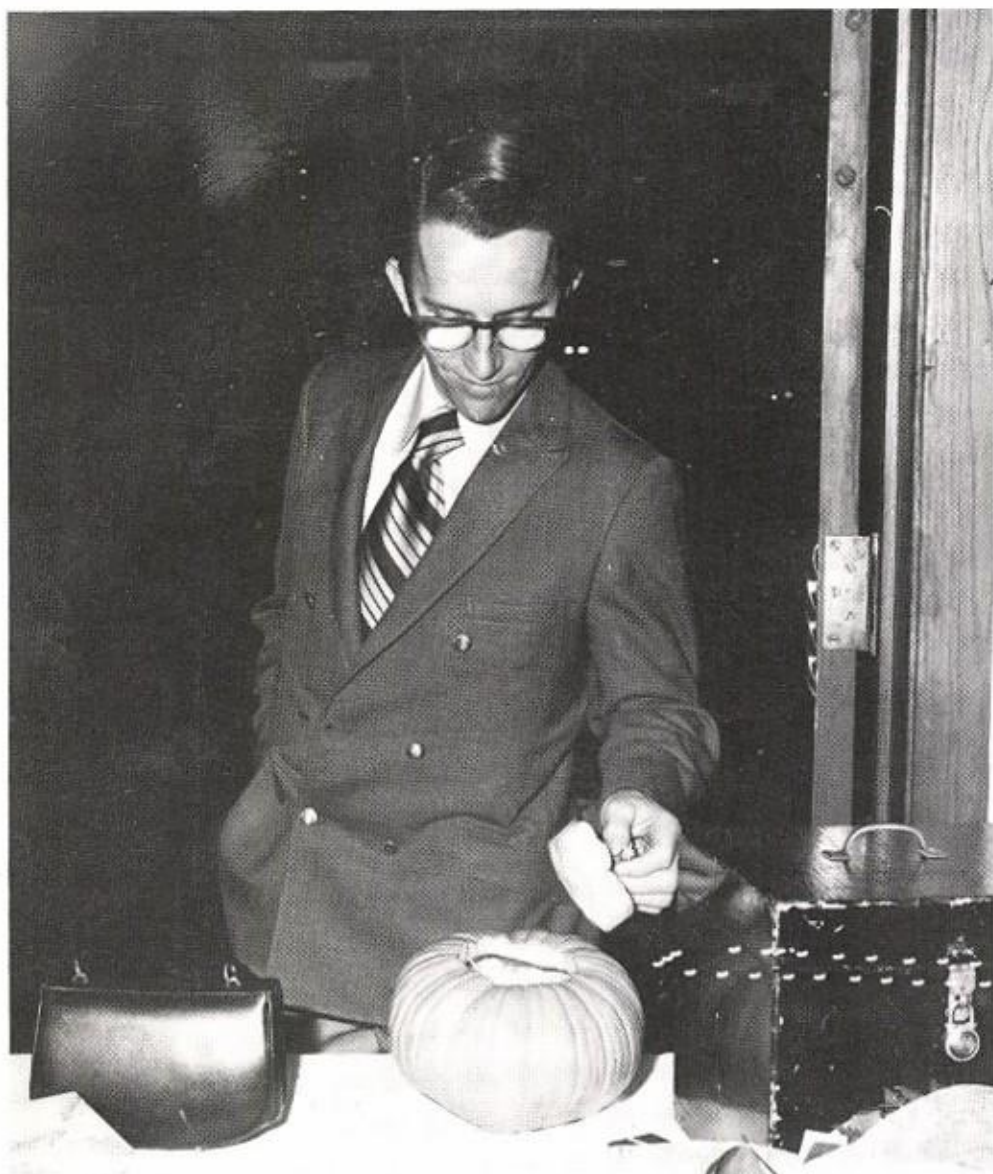

No, no kiddies; say seniors seventy **ONE**.

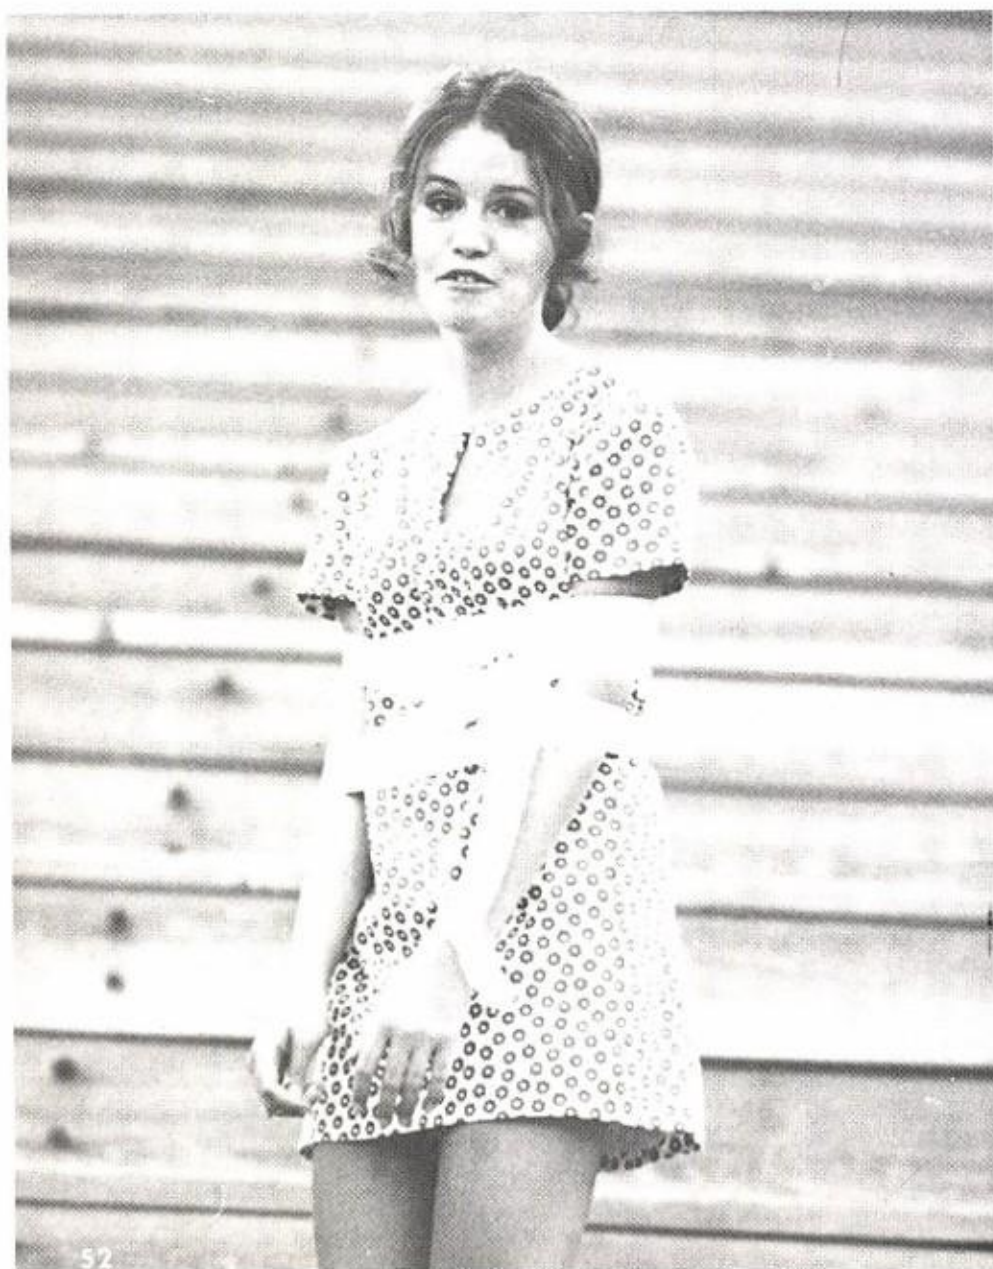

Don't tell anybody, but this ship is going to Cuba.

Fall

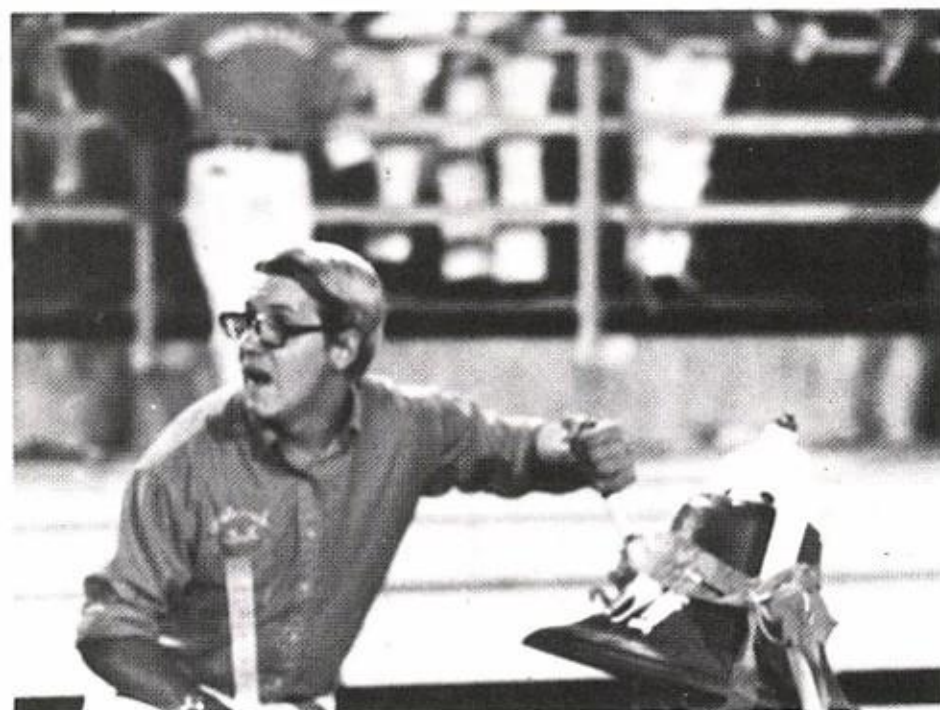

Just think that's what I turn into at 12 o'clock.

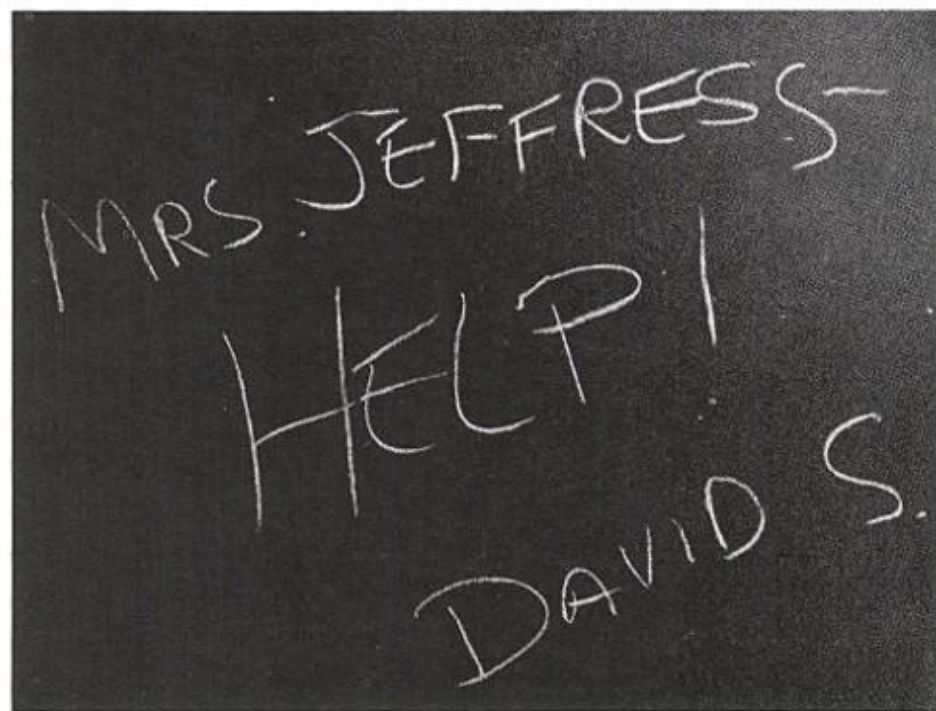

Sorry, I'm all tied up tonight.

That's the last time I buy my lunch in the cafeteria.

Alarm! Someone stole the Right Guard from the boy's locker room, and here they come.

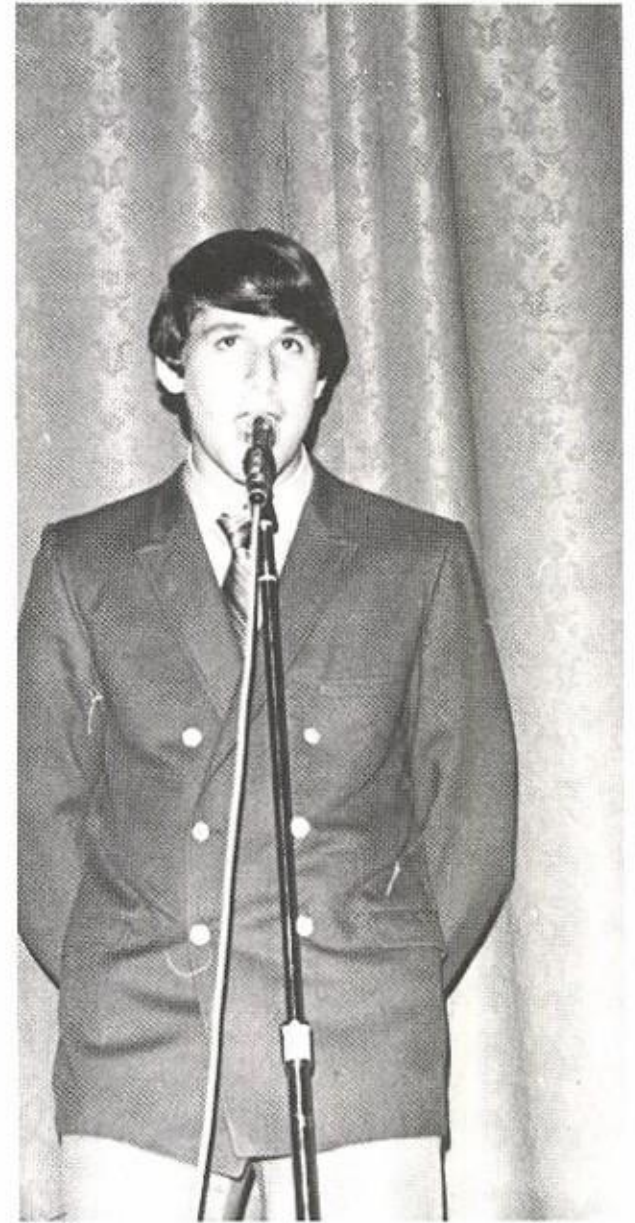

Spot check.

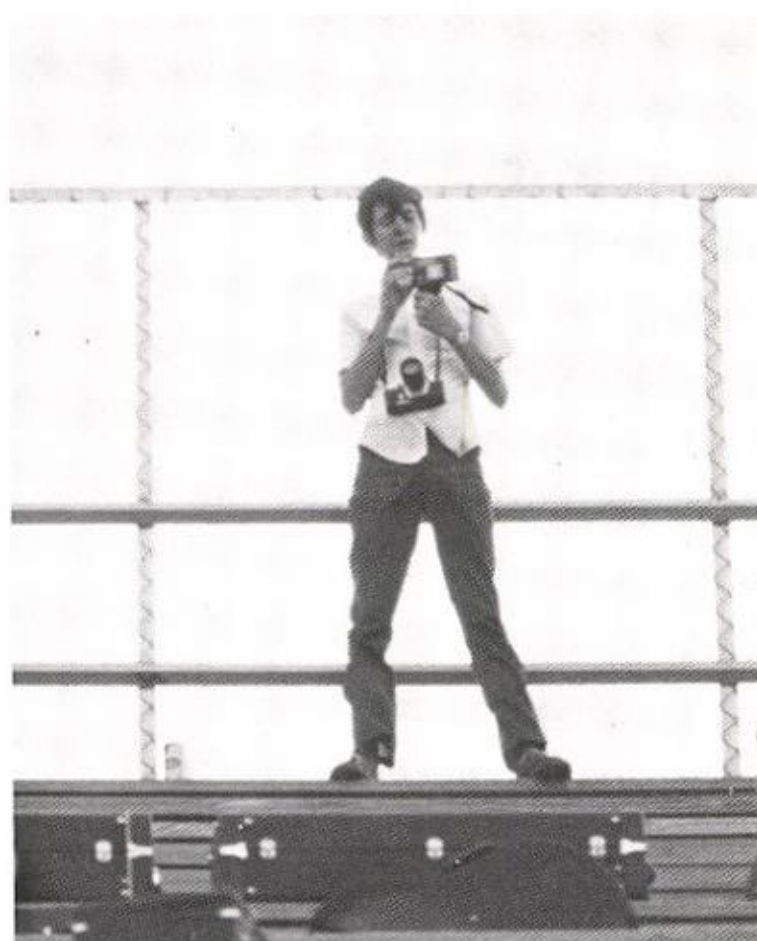

NO, Mrs. Riser, I WON'T raise your grade.

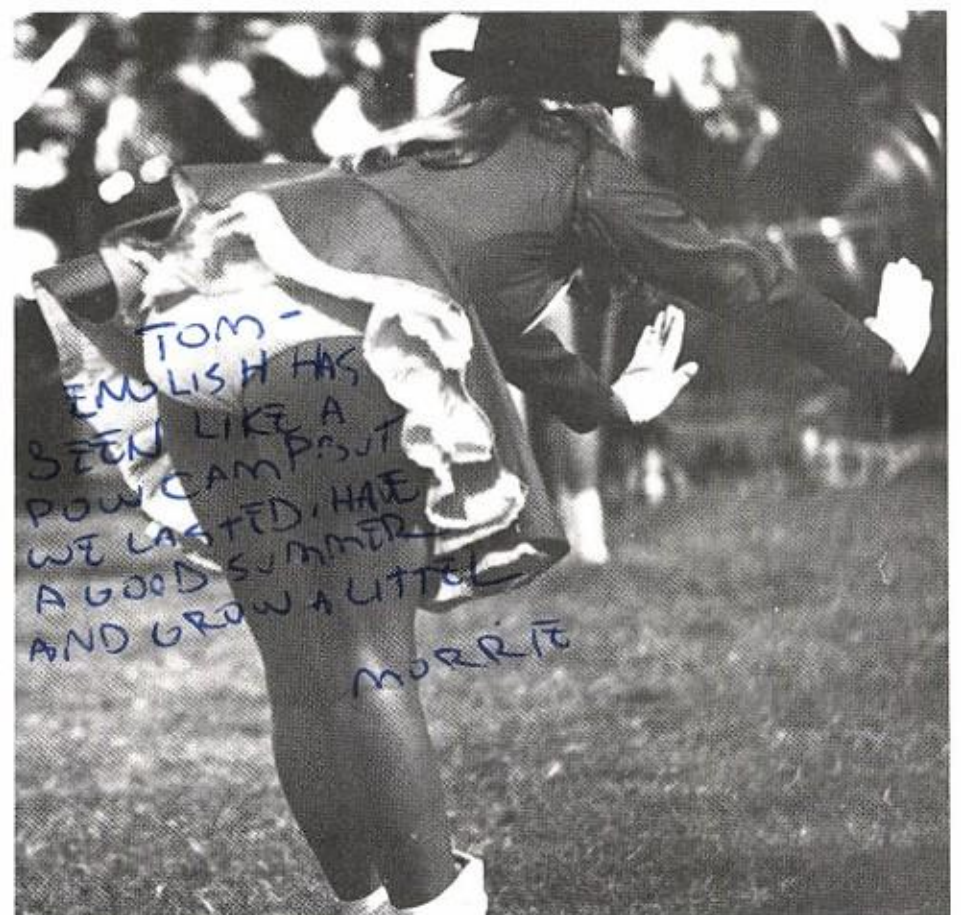

"... Its fleece was white as snow."

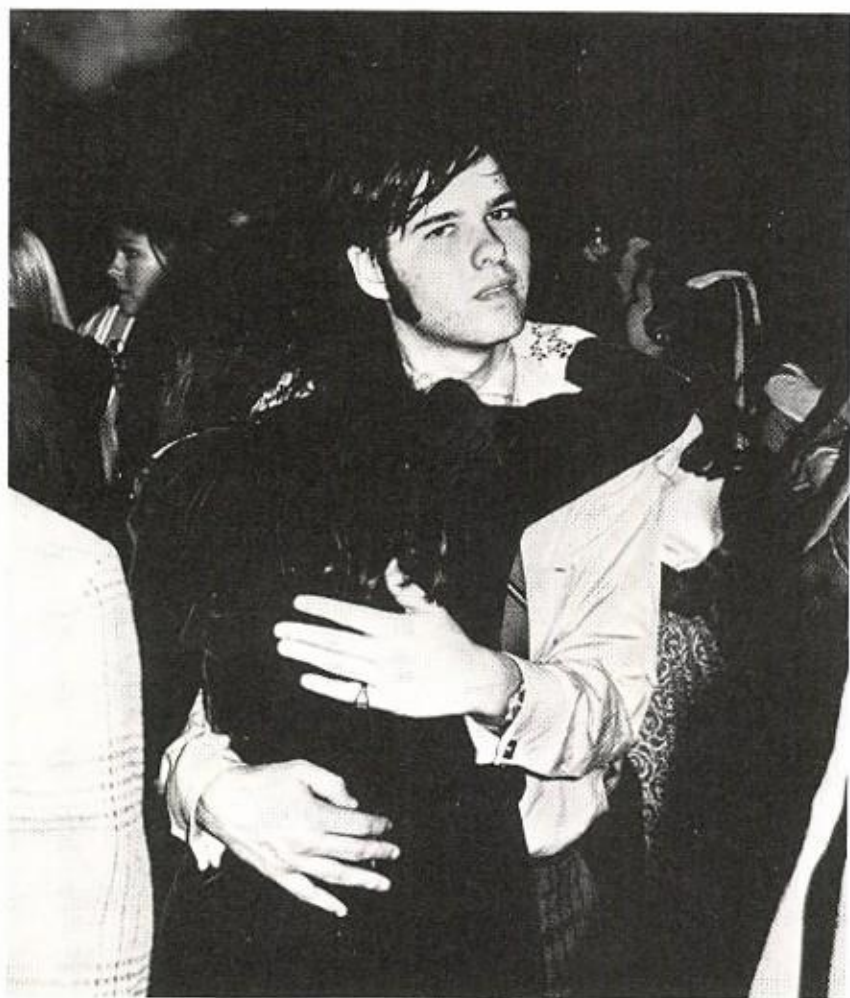

Education is what's left over after the facts are forgotten.

Let's see ... how do you work this thing?

Our Panaders always put their best face forward.

He's really getting HOT!

But all I said was quit stepping on my feet . . .

Fall

Mr. Burns, stop swatting flies and lead the music, please.

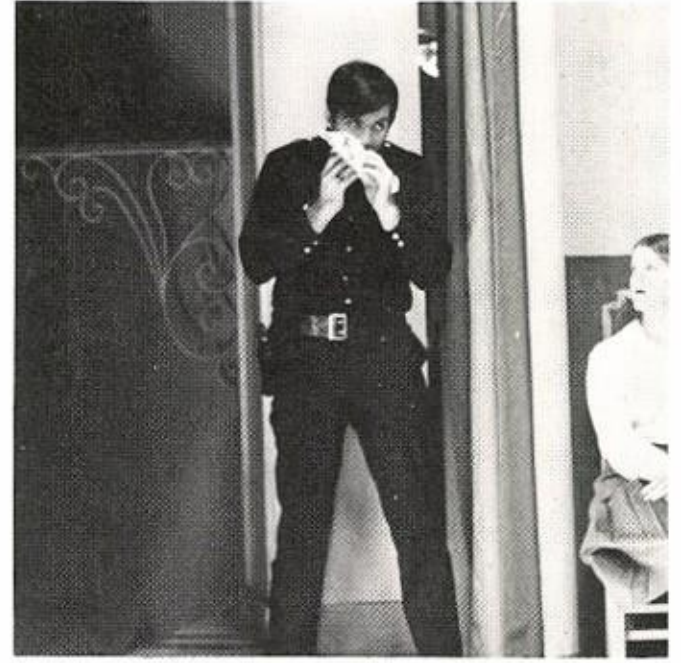

Mr. Skinner really hit the ceiling. (oh, ha!)

Oh Mr. Wilson, I didn't REALLY mean it when I said go jump in the lake . . .

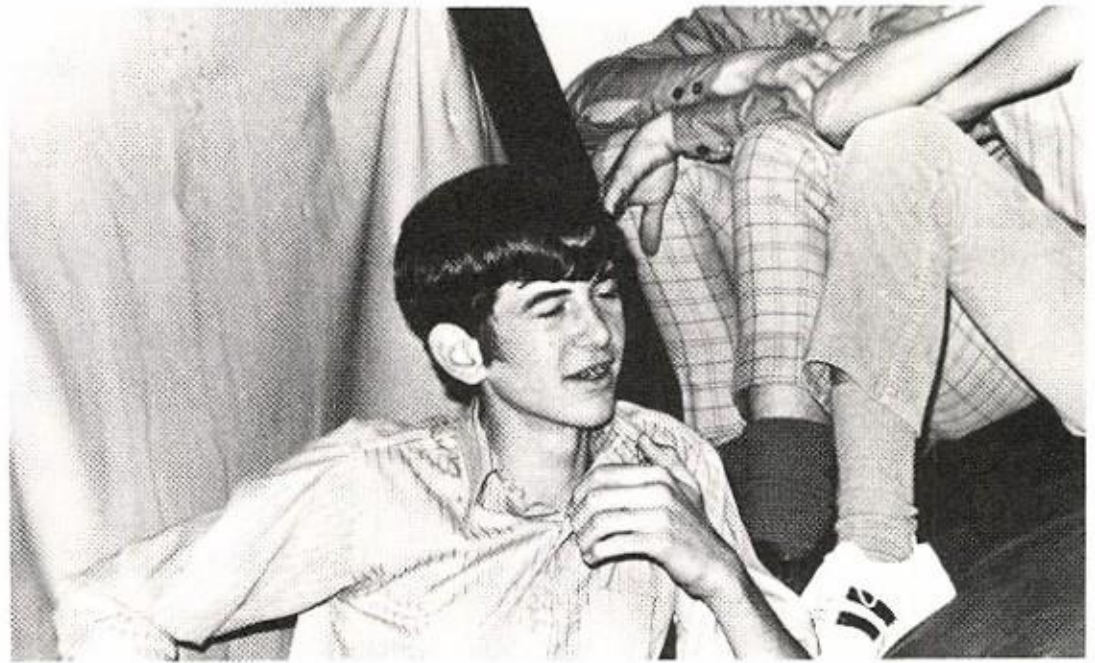

Those Popeye cartoons always have a big turnout at Hillcrest.

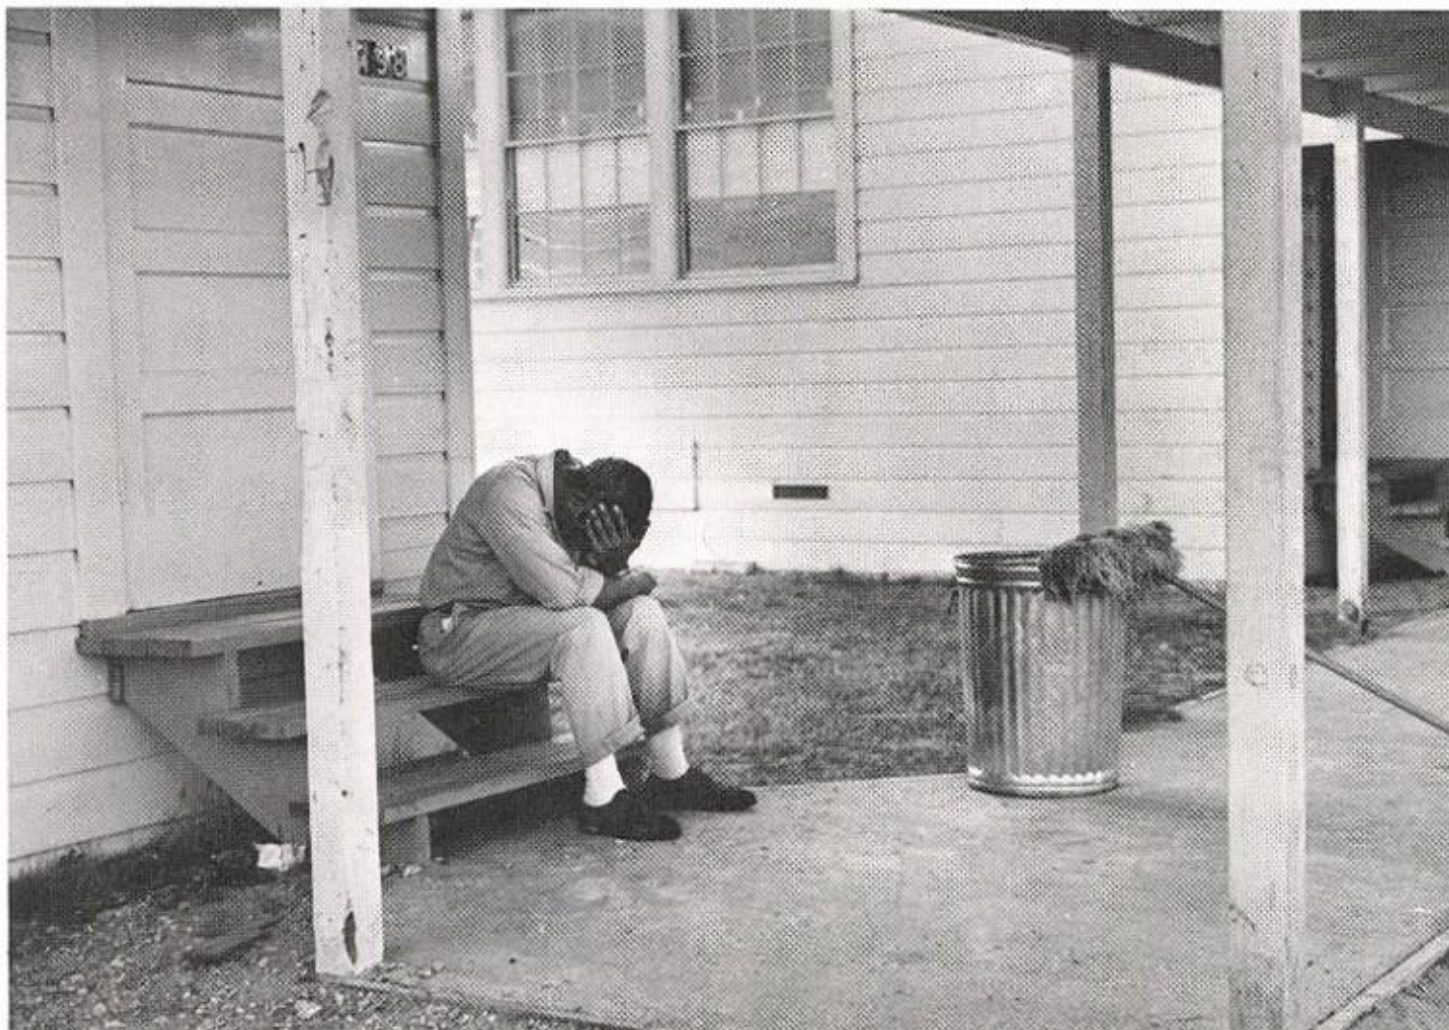

Get him! Catch him! (the booger).

An' ee better not try to kiss mah daughtuh agin!

I am **TOO** the coolest stud around here.

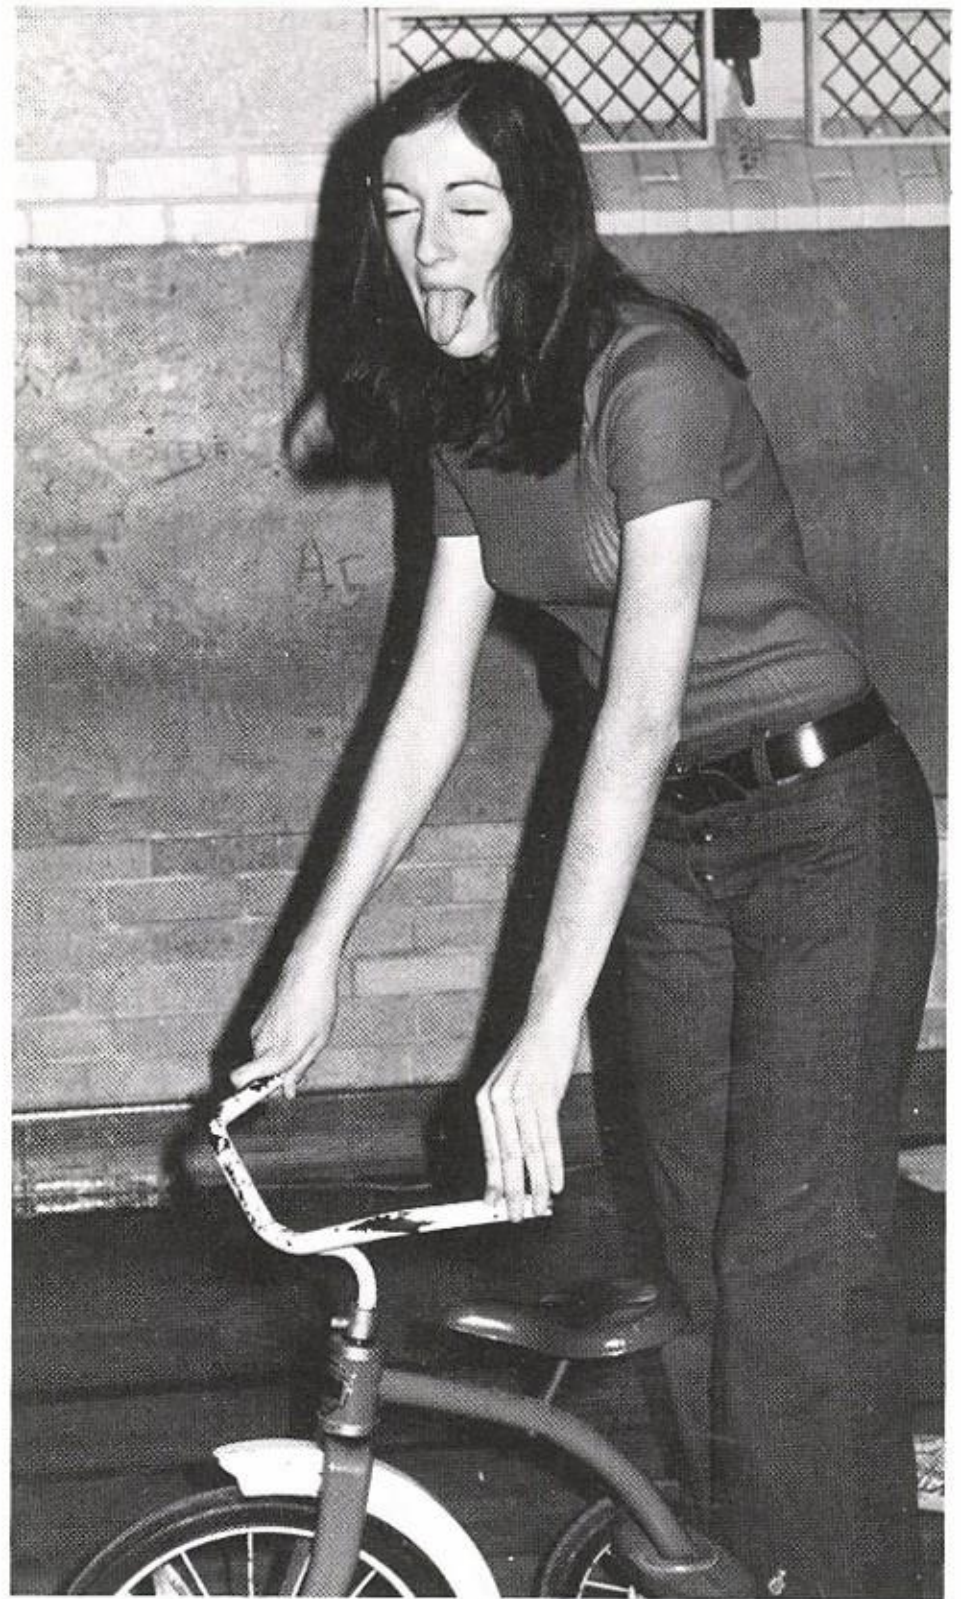

Mr. Wilson's class just had a "little party" and I'm afraid to look.

As for
homework,
most of us
would
rather do
nothing
better.

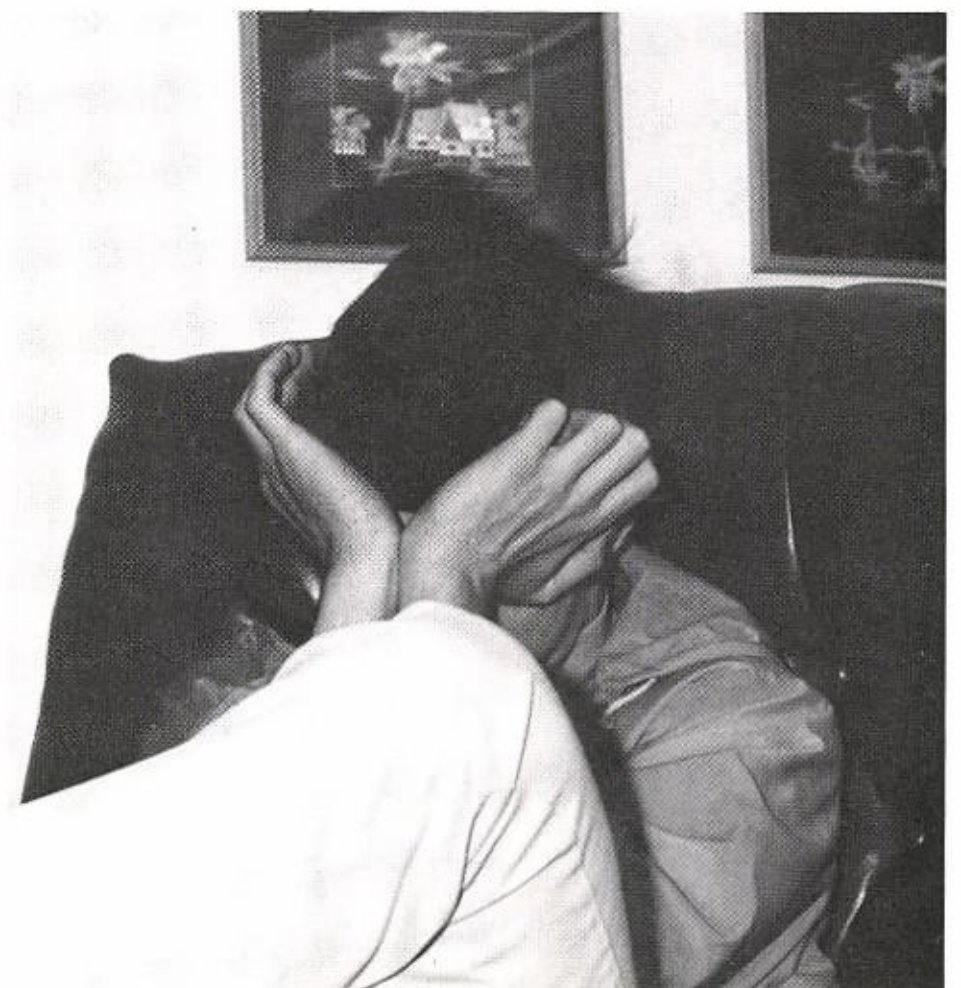

Winter

Is that what you call a painted woman?

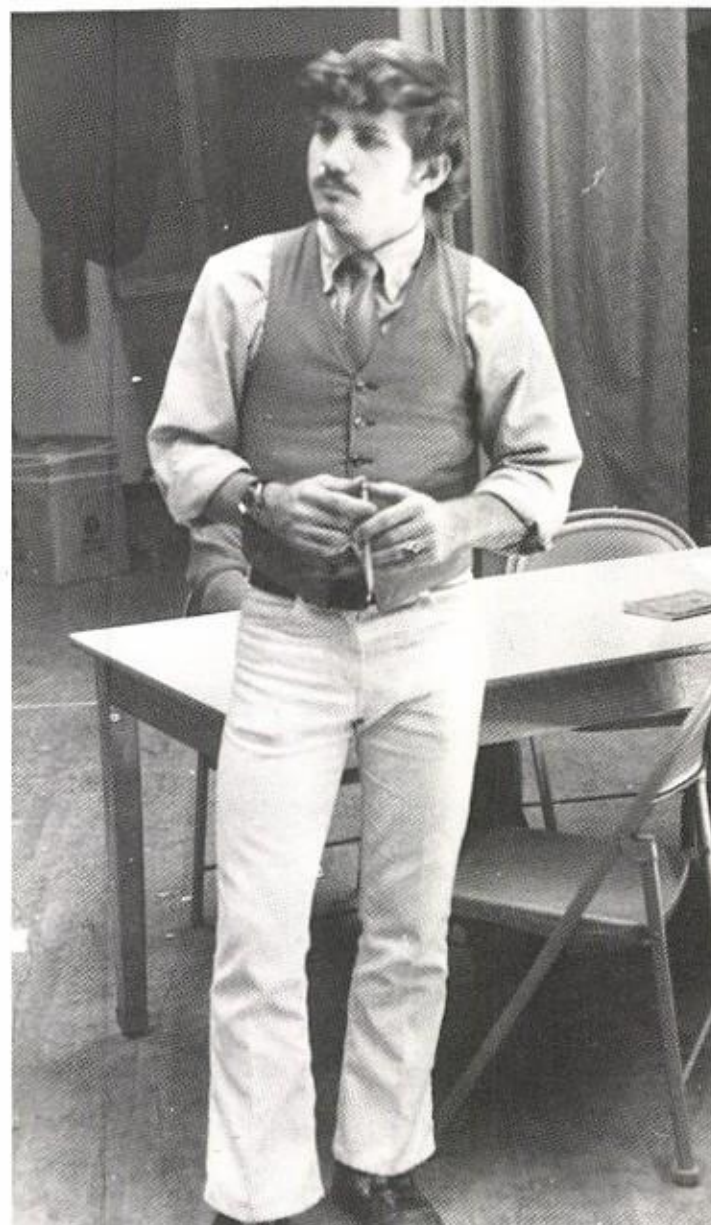

Missed me, missed me, now you've got to kiss me.

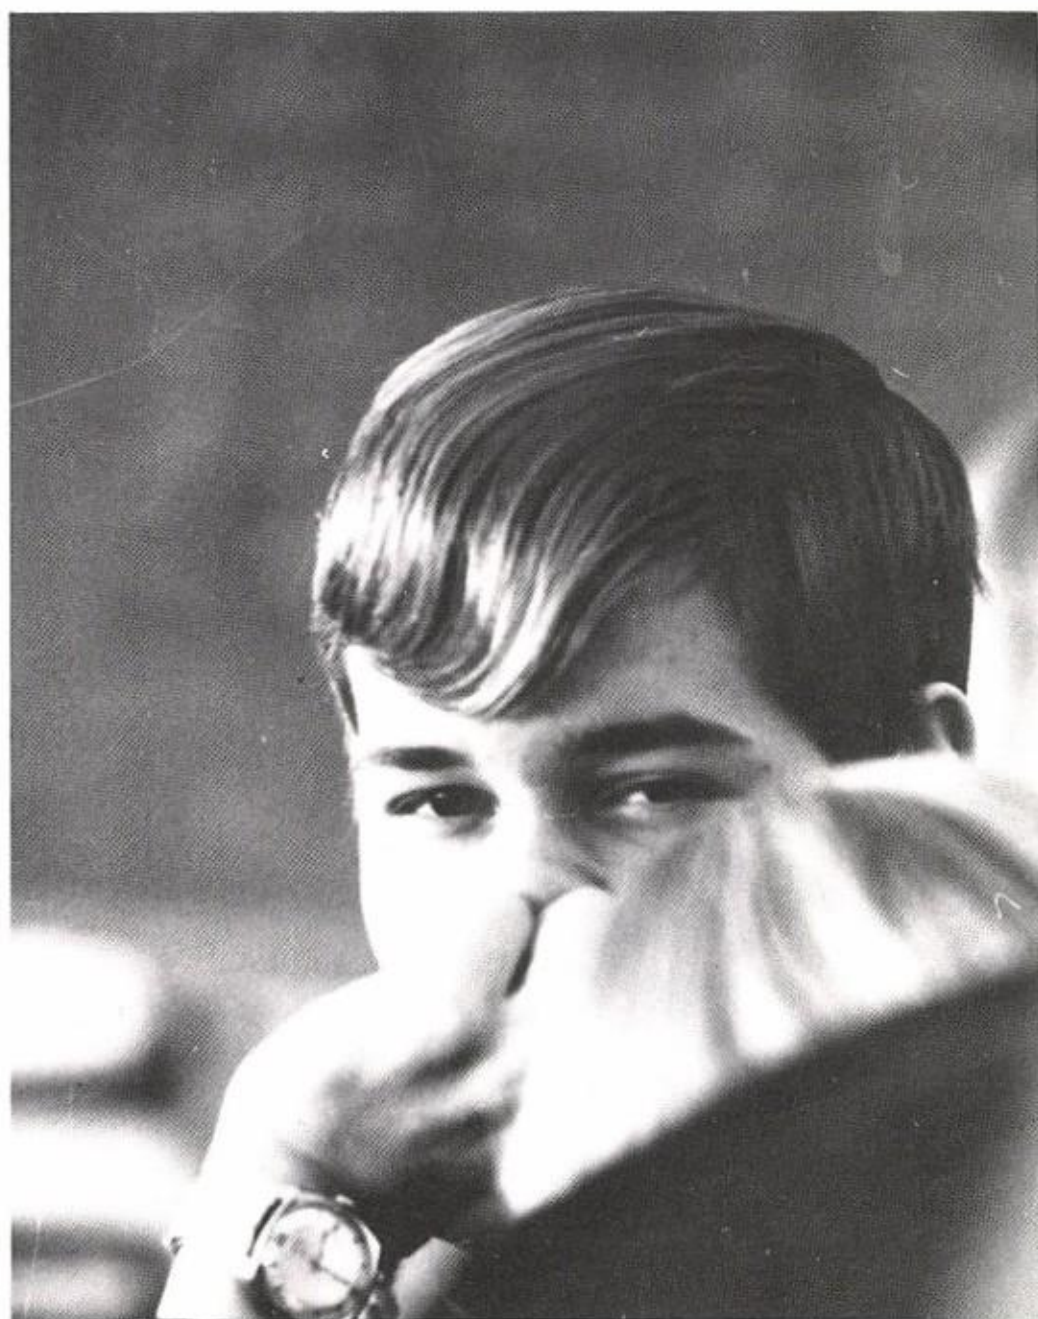

Senior girls would do anything for a kiss.

"There's no time to delay,
we've got to live for today." Chicago

Is it true that too much coffee stunts
your growth?

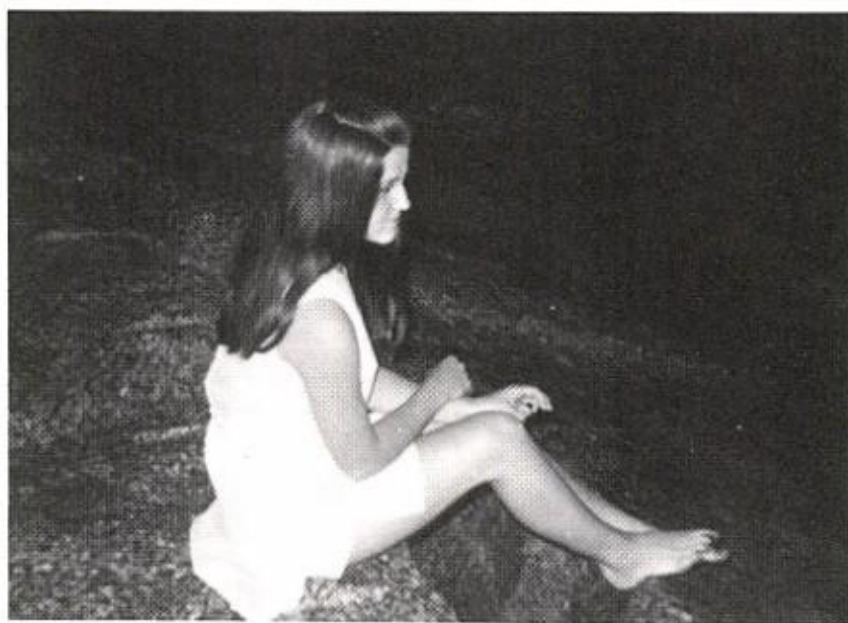

Don't be picky

Do you always dance alone??

Few things are more expensive than education,
and ignorance is one of them.

Winter

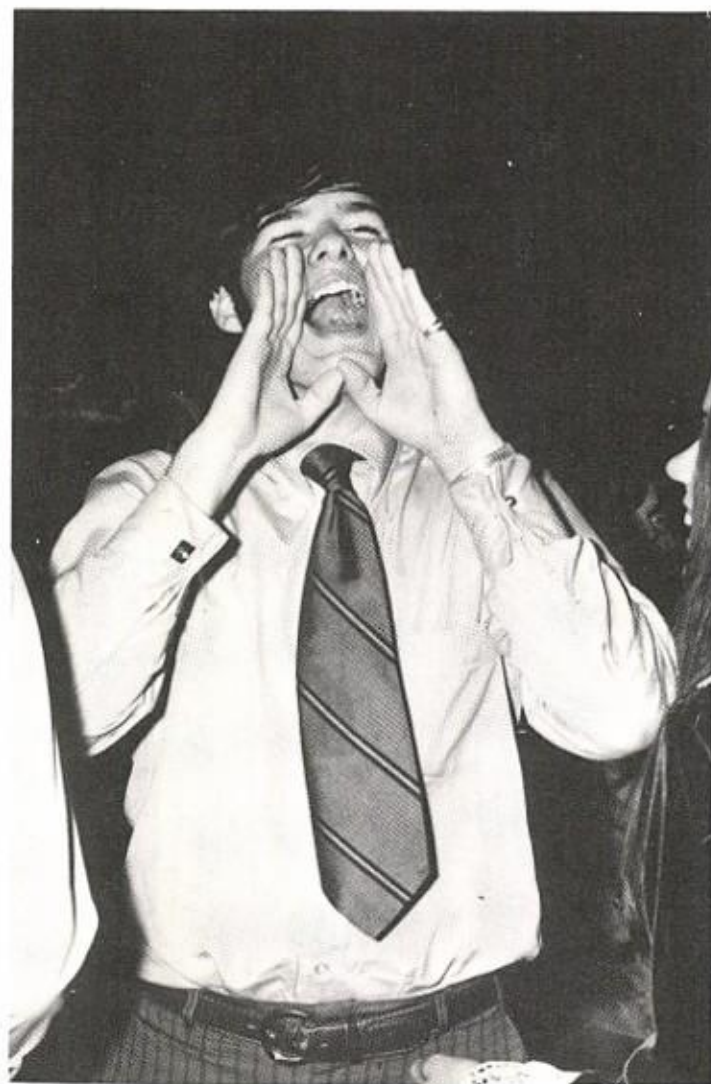

Did you see it, folks? Super Lady has split the earth!

The Sisteens decorated the lunchroom to look like the boys gym.

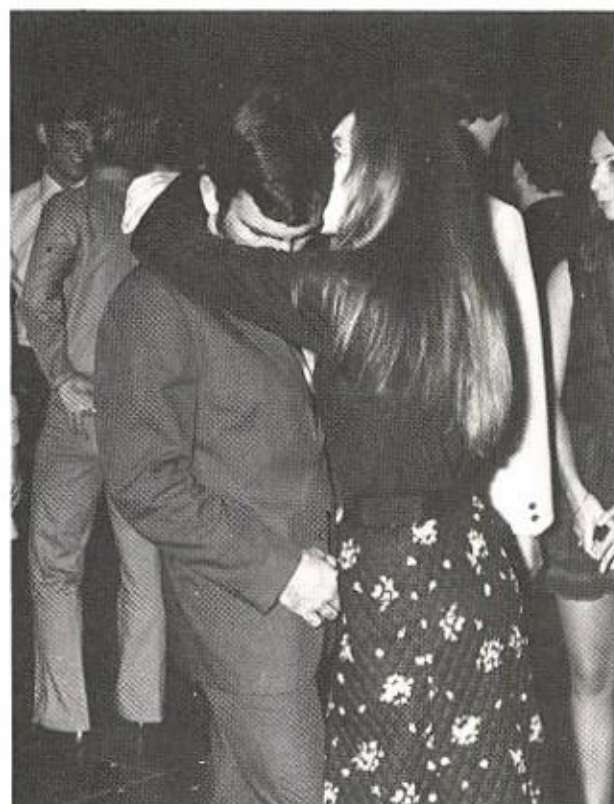

Oh, oh, there's my wife.

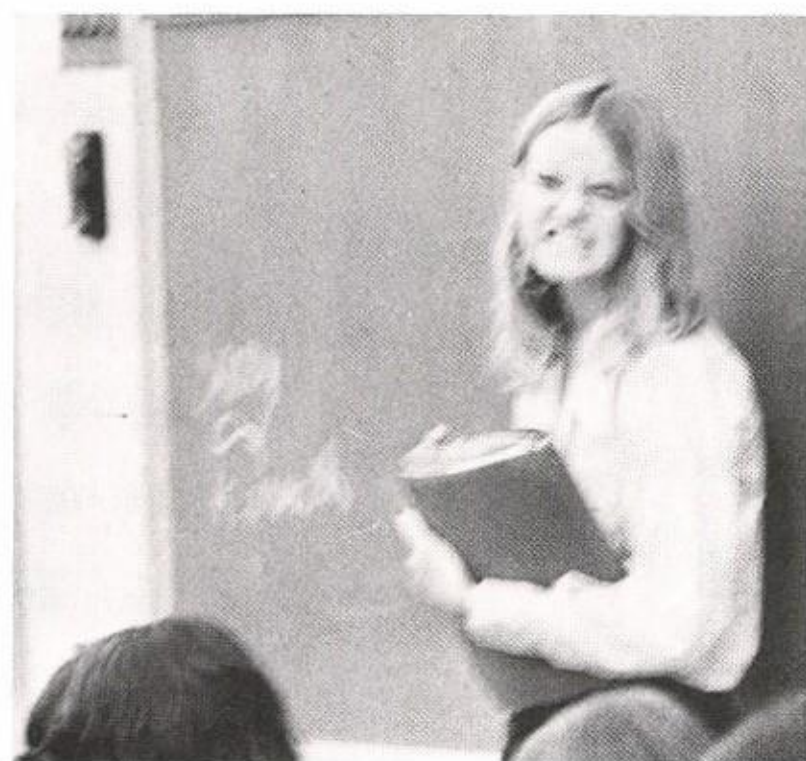

You say you found this in Mr. Ledbetter's drawer?

"Parlez vous Francais?"

Her face really DID break the camera!

Boy these dances just wouldn't be the same without it . . .

Group study has many benefits.

One kiss and I'll turn into a WHAT???

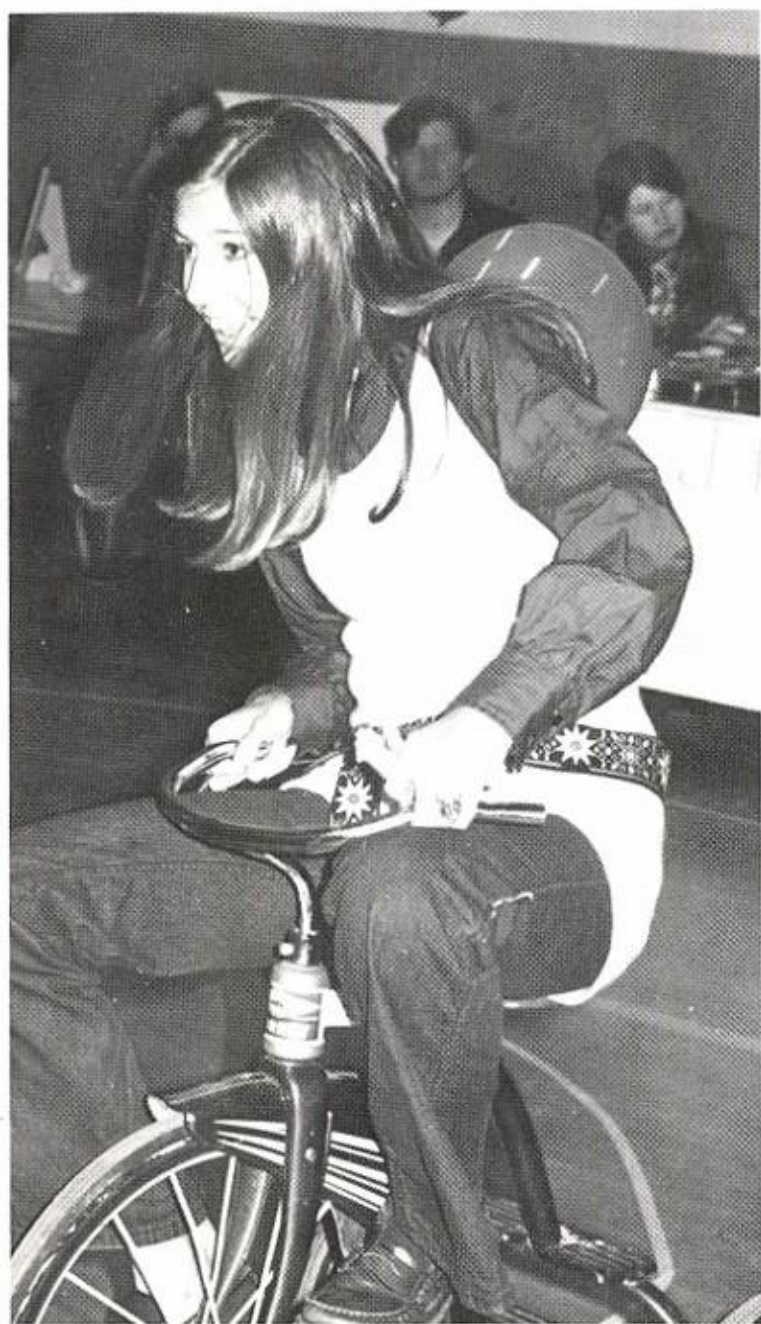

But Mr. Wilson . . .

Winter

From the depths of the deep green algae infested pool, . . . comes . . . Aquaman.

I get my tricycle license after this behind the wheel course.

I can see myself in this balloon!

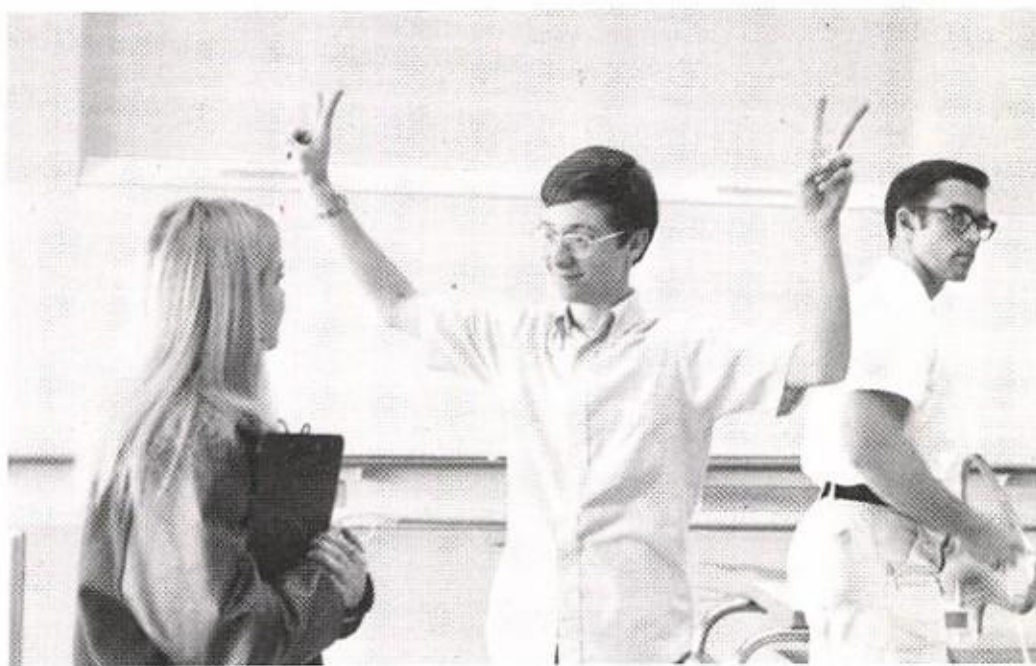

Bio-Chemistry sure tastes good.

"Time passes much too quickly when we're together laughing. It's only the beginning — only just the start." Chicago

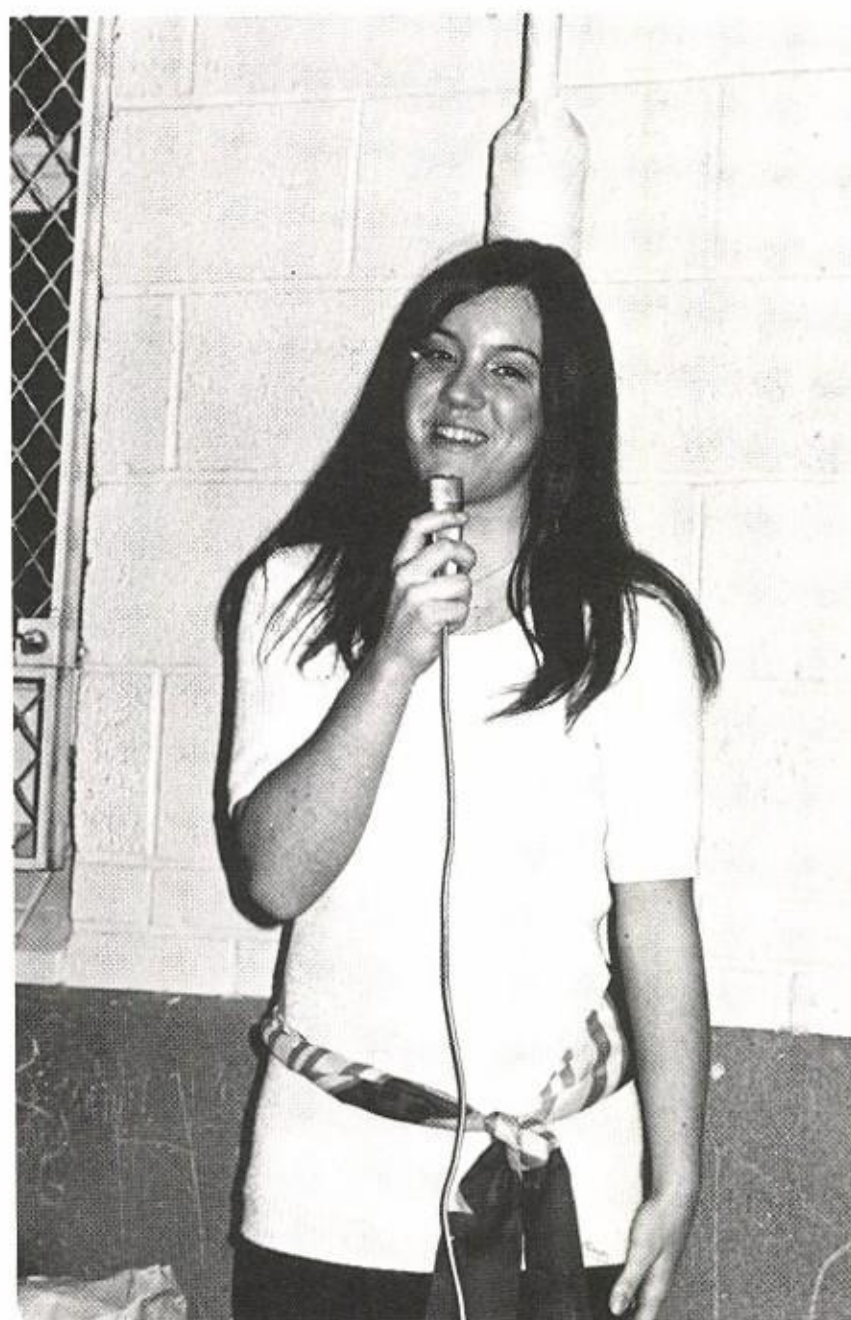

Look out for my double joint.

In 1984, I promise . . .

Homecoming 1970.

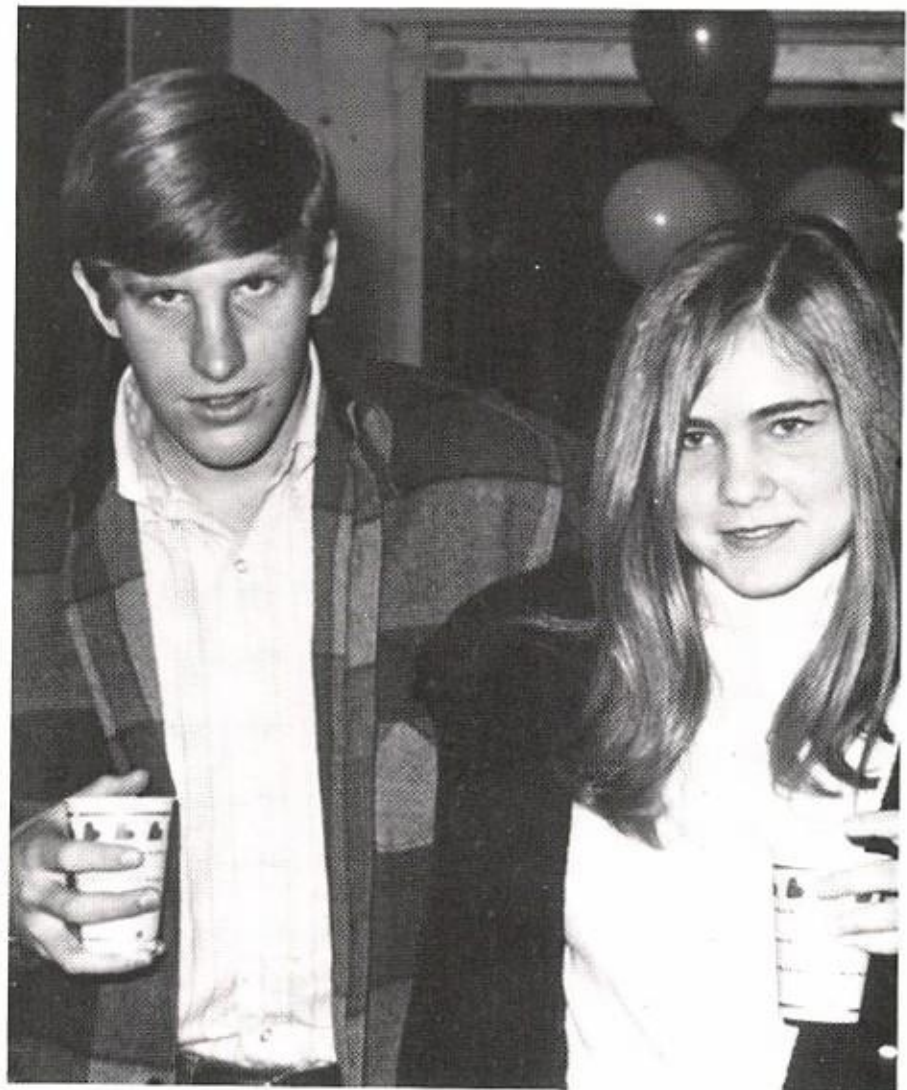

"Yummy, yummy, yummy, I've got love in my tummy." 61

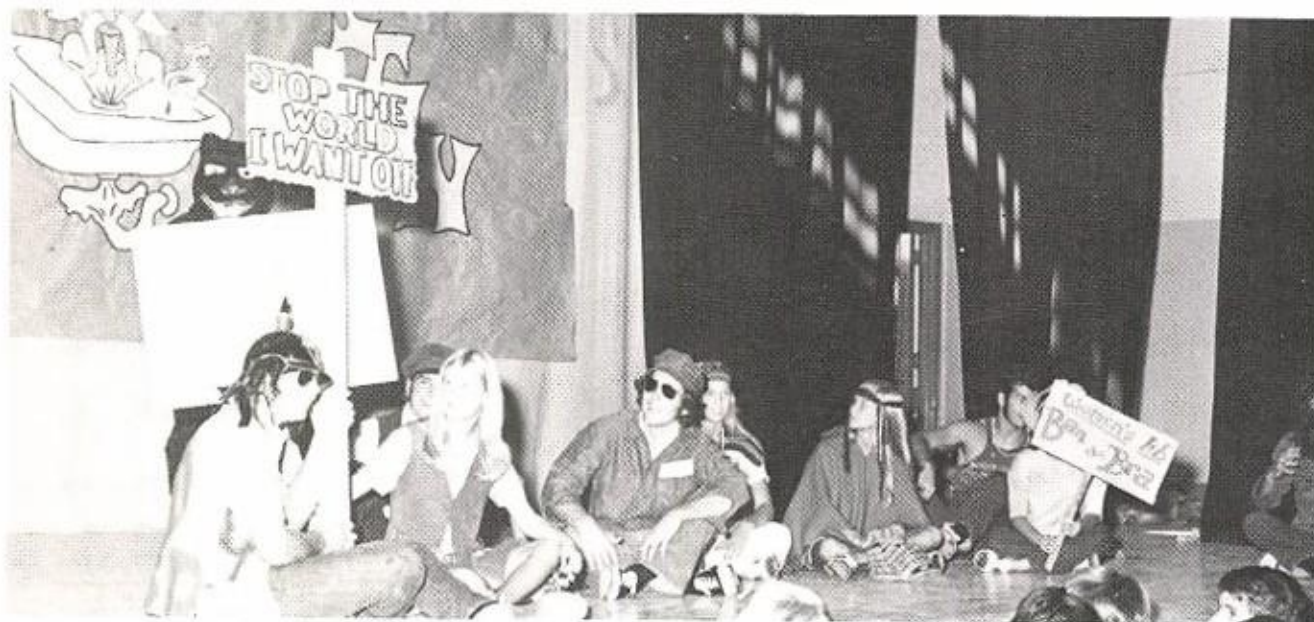

"Come on people now, smile on your brothers everybody get together try to love one another right now."

Mr. Head and Mrs. Beasley join in the spring semester.

Coke, anyone?

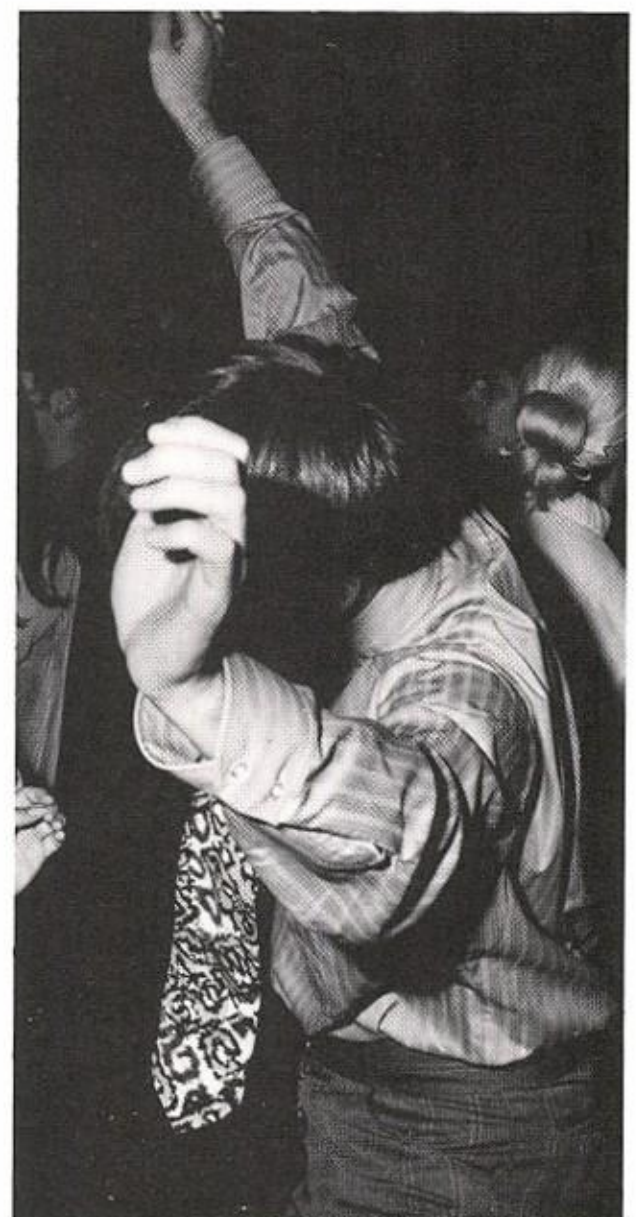

Our very own love-in.

Winter

I'm proud to announce you four are the only students without demerits.

Put your arms down, you need all the friends you can get.

Coffeehouse

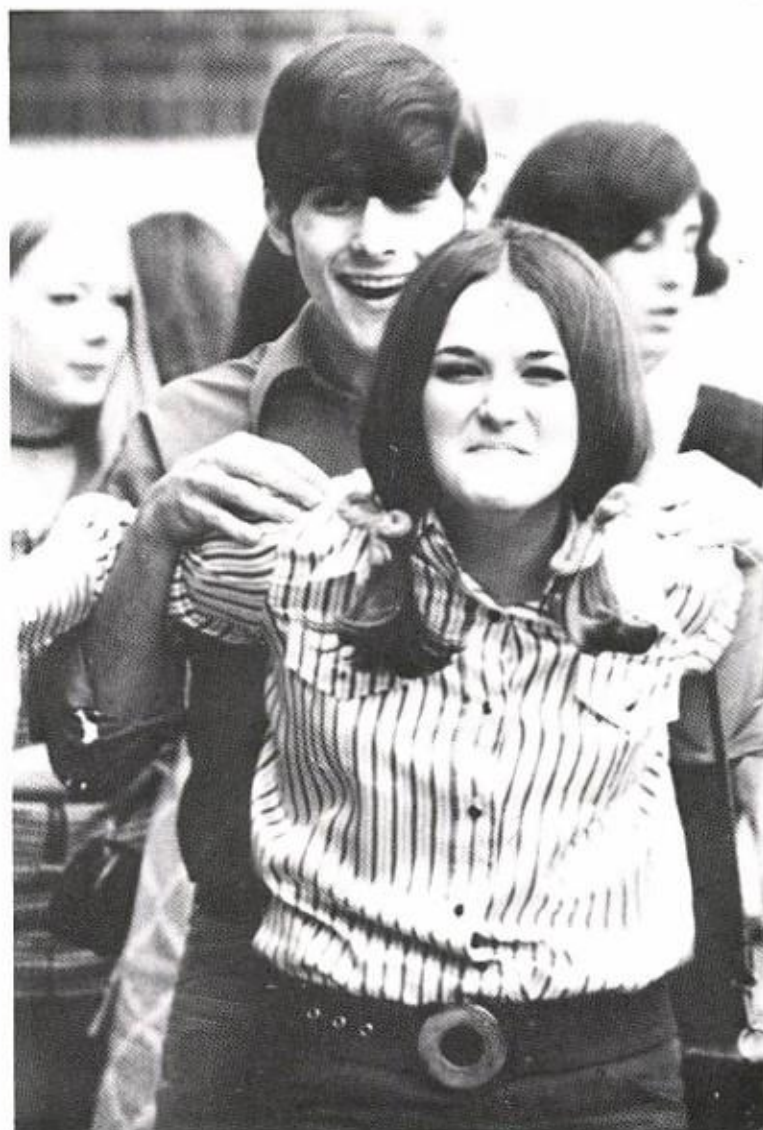

I just love whipped cream.

Mr. Artmann, that's a funny place for a hickie.

And in this corner, Suzi Sophomore, weighing in at ...

Don't look, I forgot to button my shirt.

Want a bite?

I have a fly in my nose.

Winter

"Just take a little time in a busy day to give encouragement to someone whose lost the way." Diana Ross

Don't harp on it Emily.

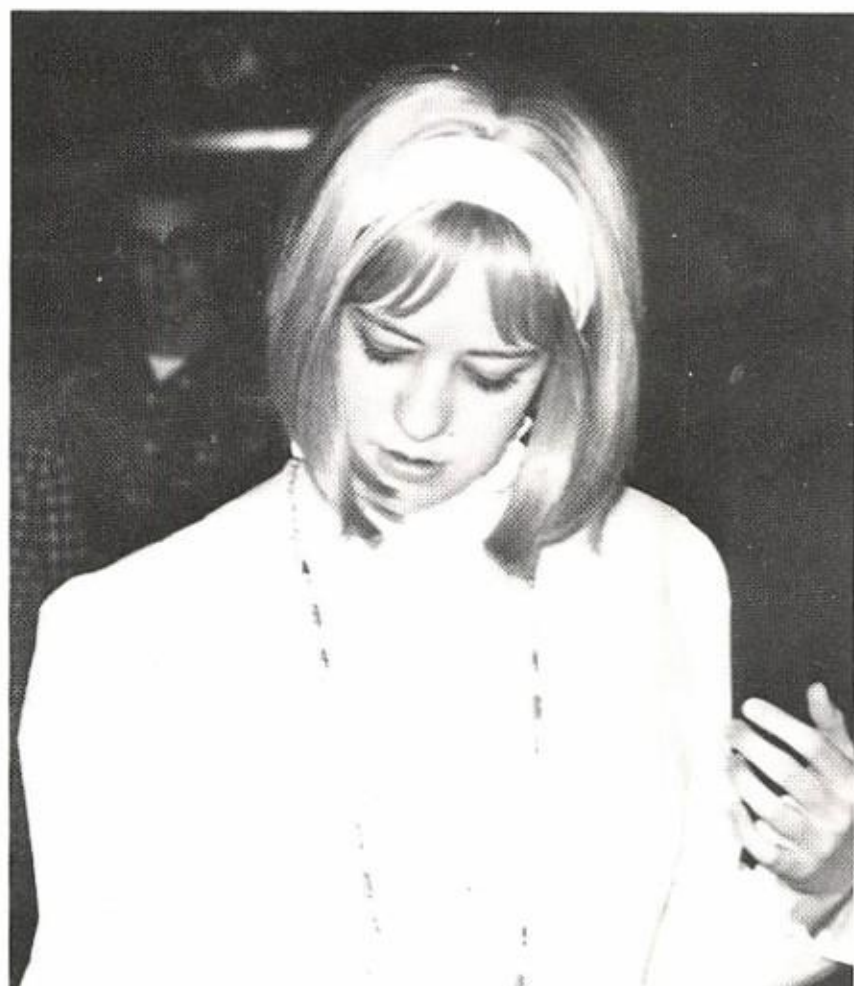

Two heads are better than one.

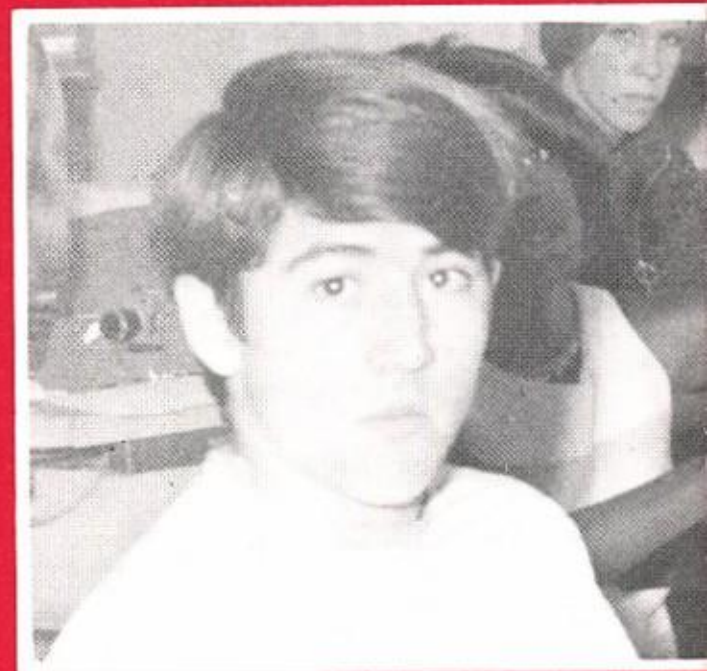

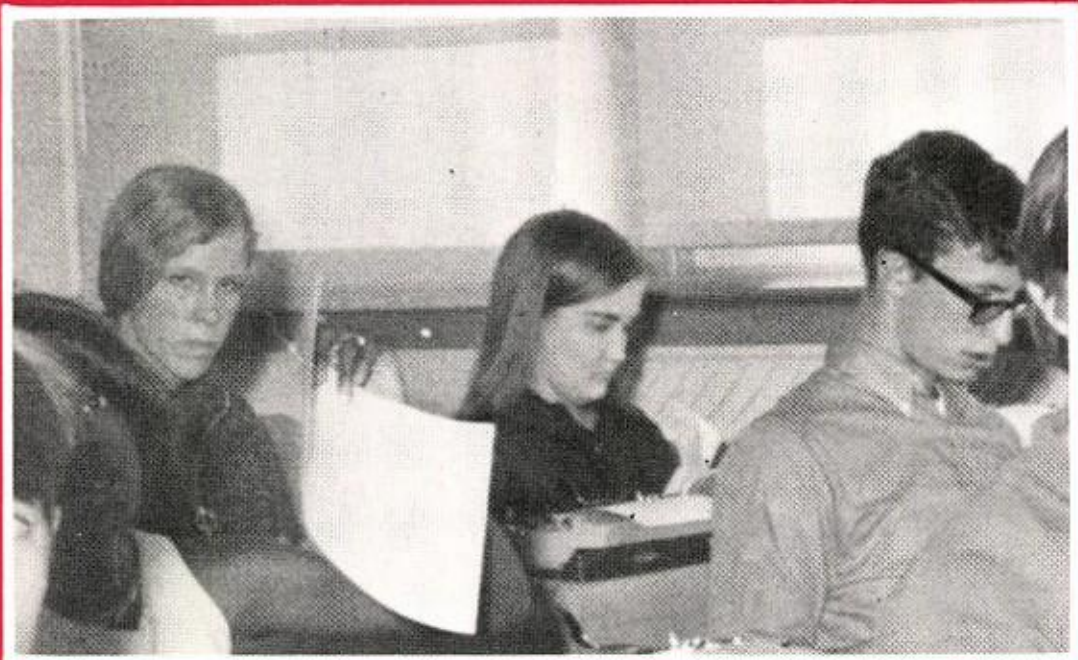

I got it!

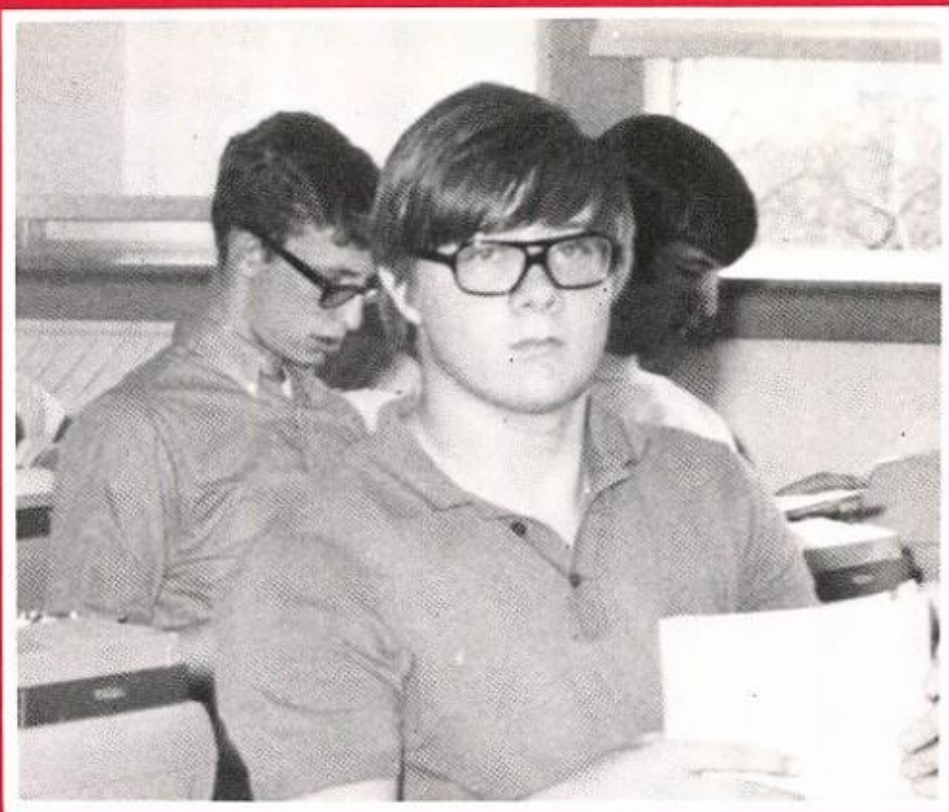

Car overturns after hitting chuck holes in Franklin Parking Lot.

First I said NO, but then . . .

Judy, your perfect except for the frizzies.

The annuals are here!

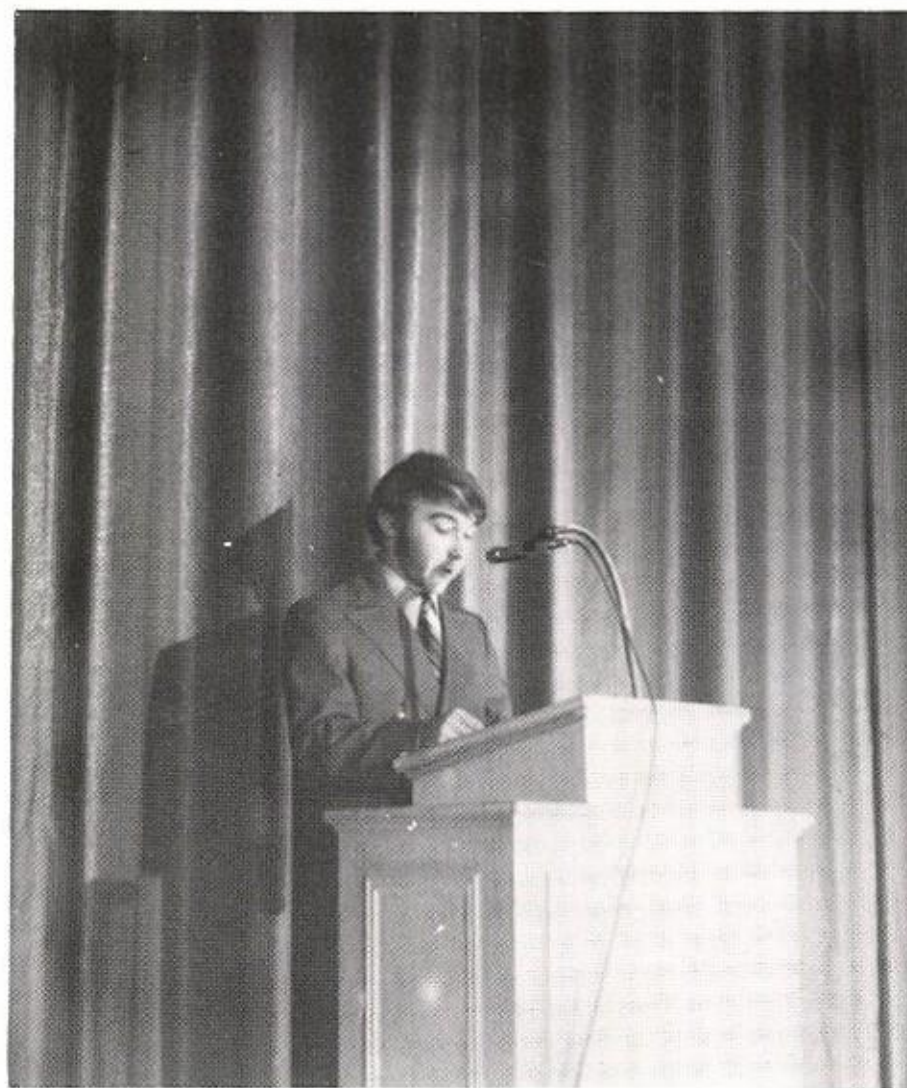

Hello world, here I am.

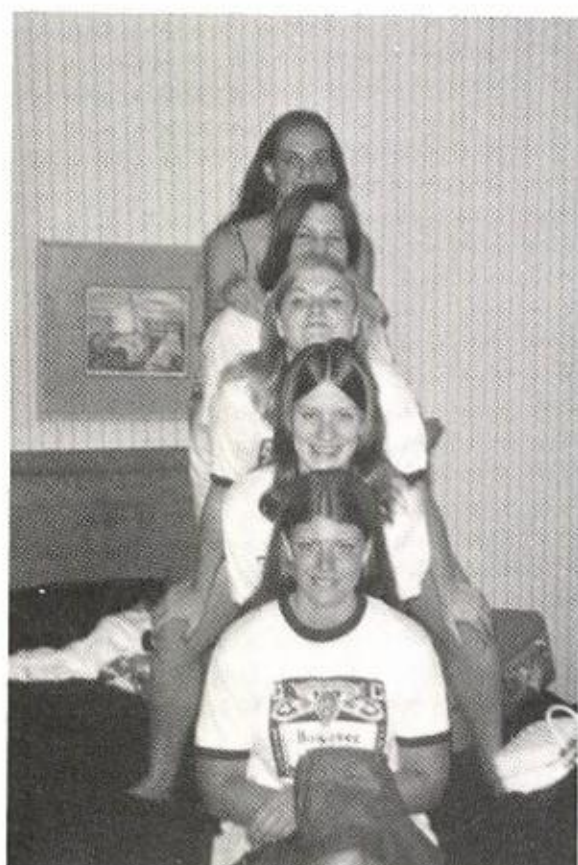

If I told you once I told you a million times, "It's the other way!"

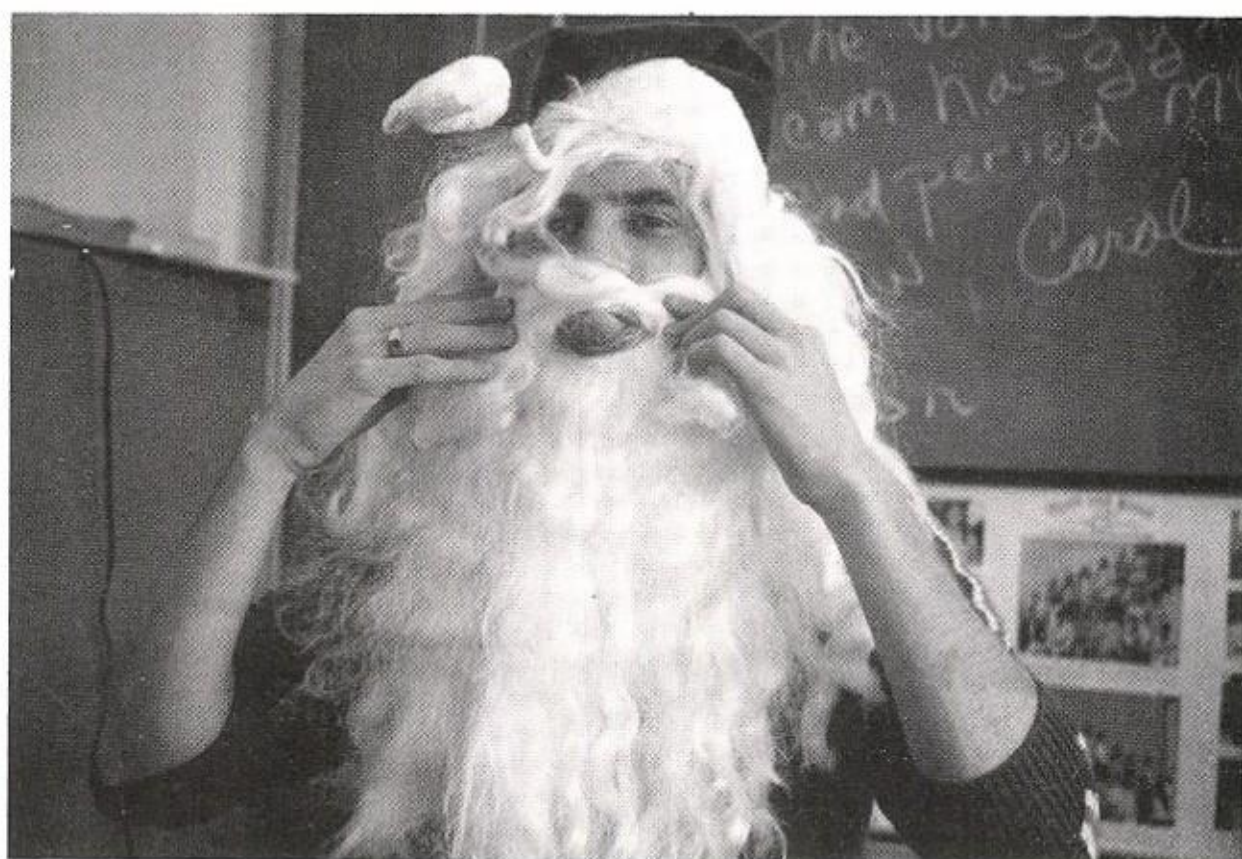

I made a what on my chemistry test?

Now I lay me down to sleep.

Social Climbers.

Barry Claus.

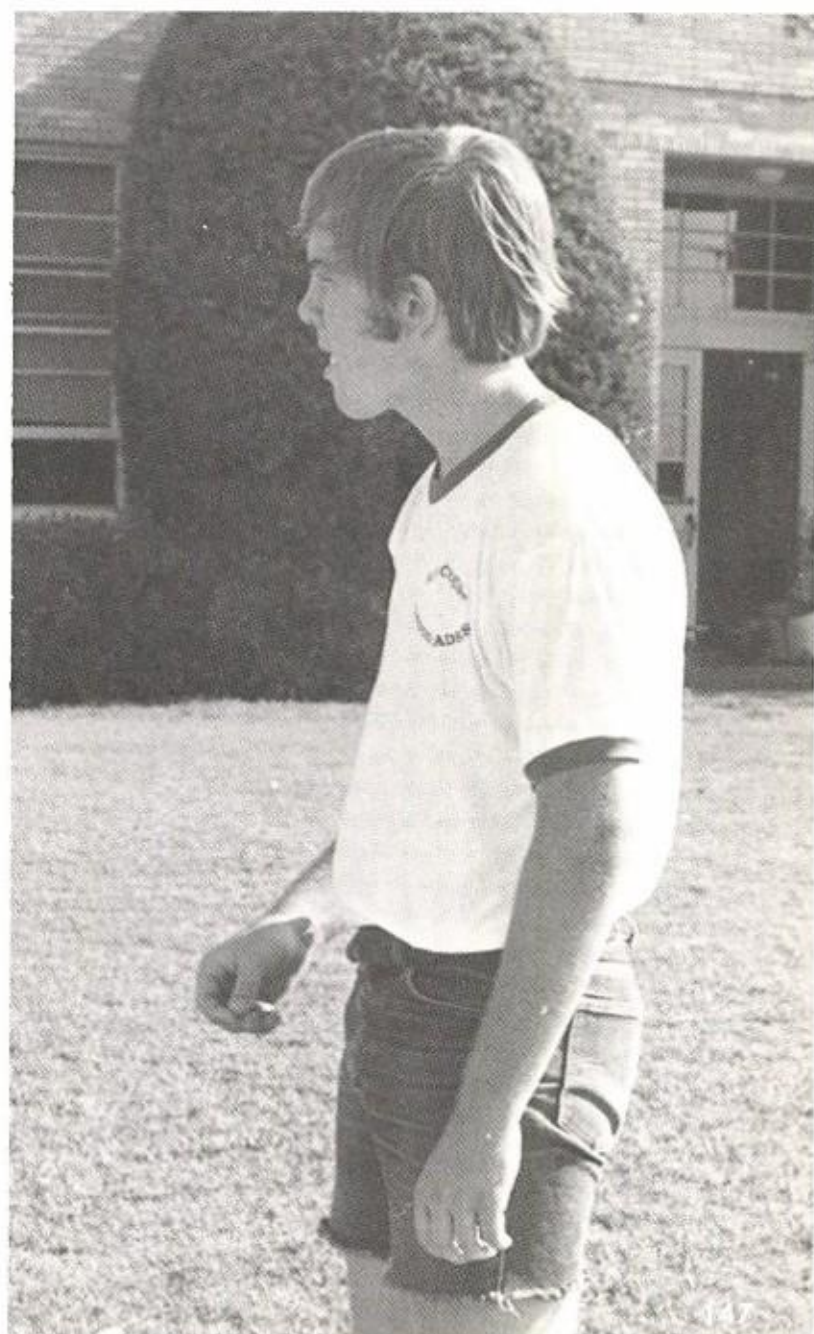

Through rain, sleet and lack of sleep the Panaders always keep that smile.

The men in the white coats will be here any minute.

There's been a pick up in Hillcrest spirit.

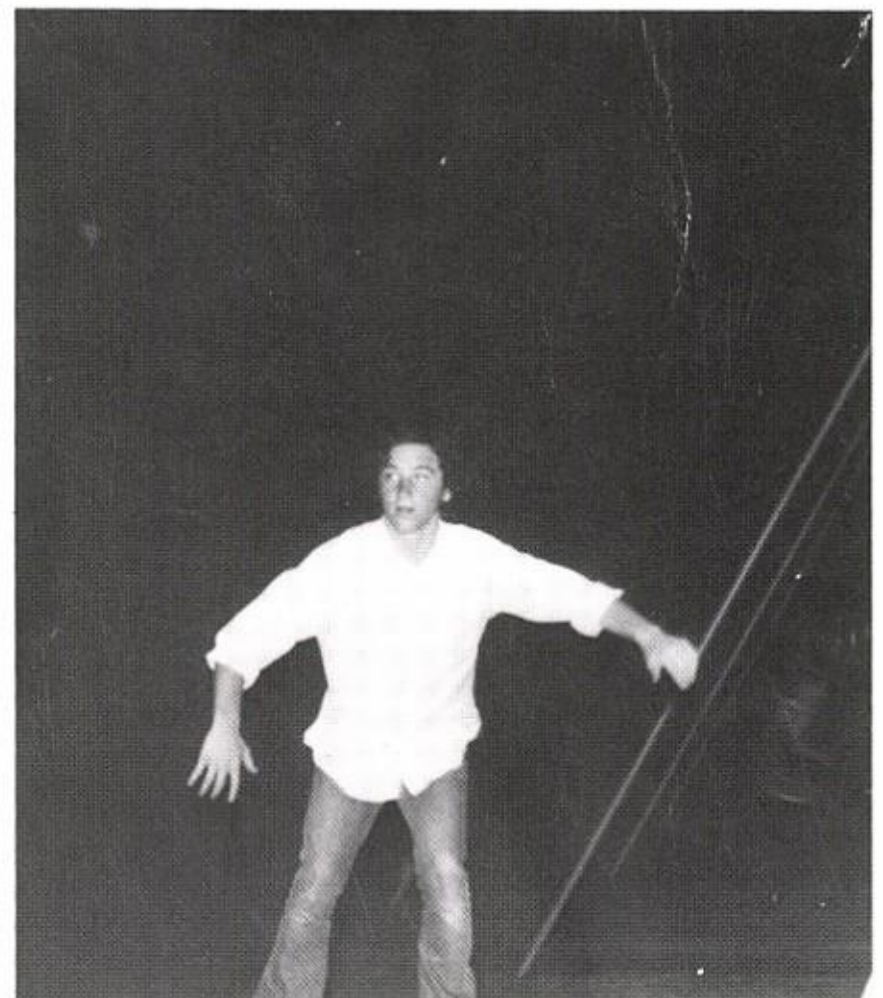

RAH.

A Year of Fun

Why can't you come Batman?

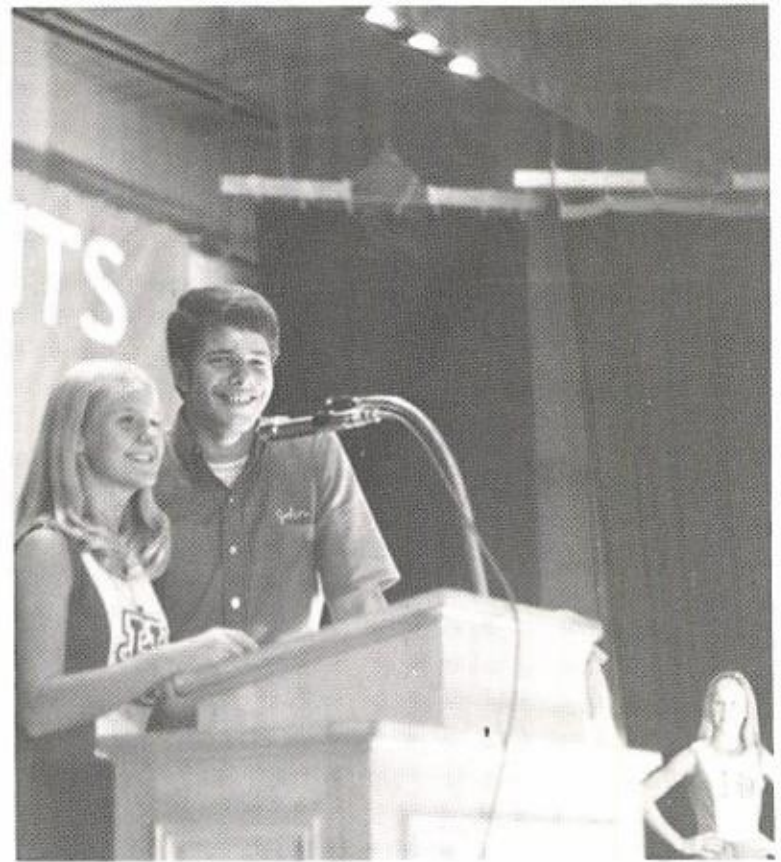

How did you say you spelled PANTHER?

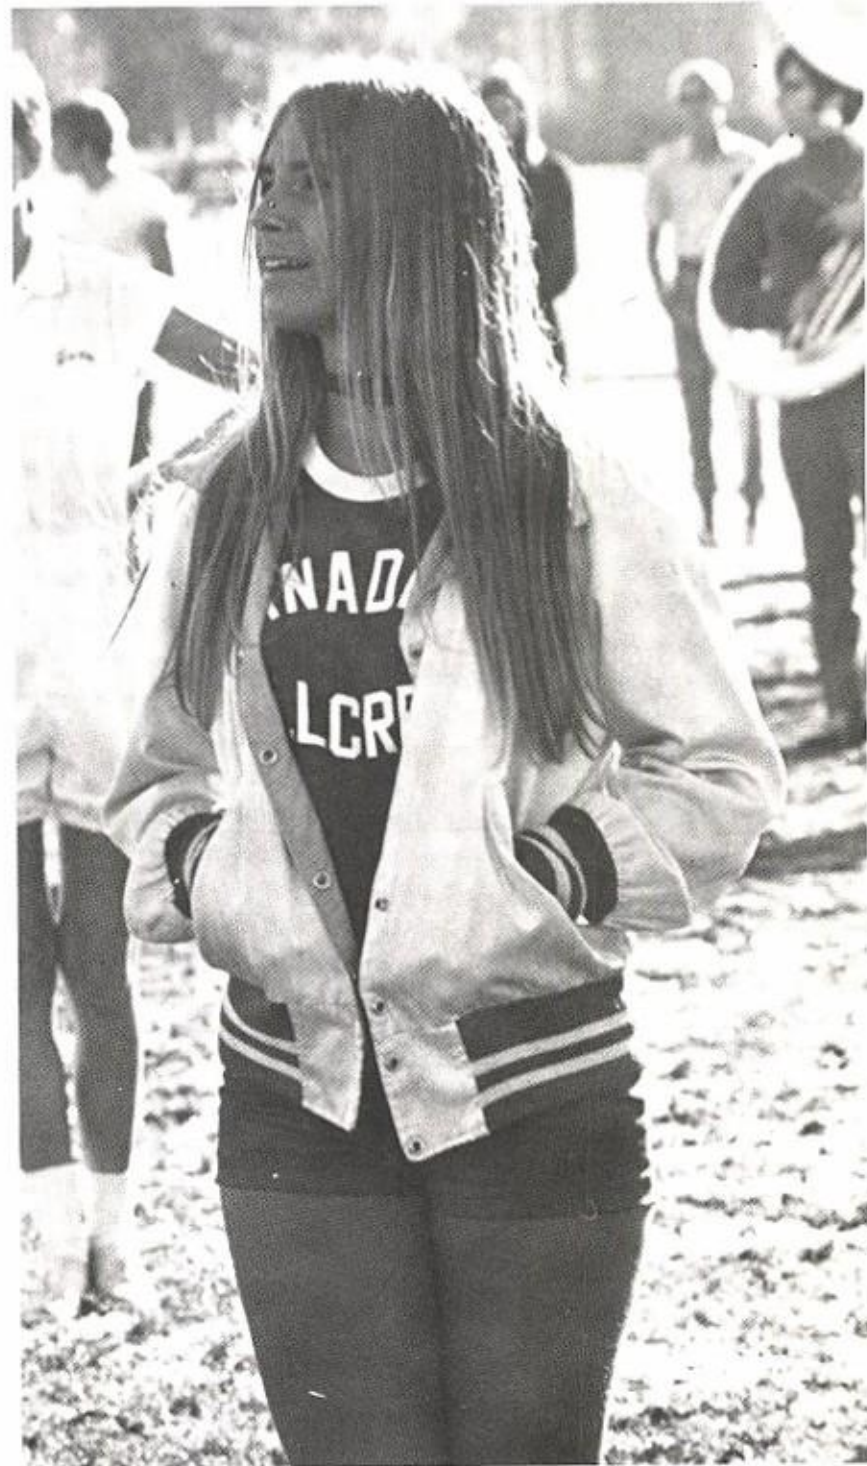

Old Maid's night out.

Ambition

And this year's dental trophy goes to . . .

If my mother could only see me now.

Spirit

Howdy, Mr. Dillon.

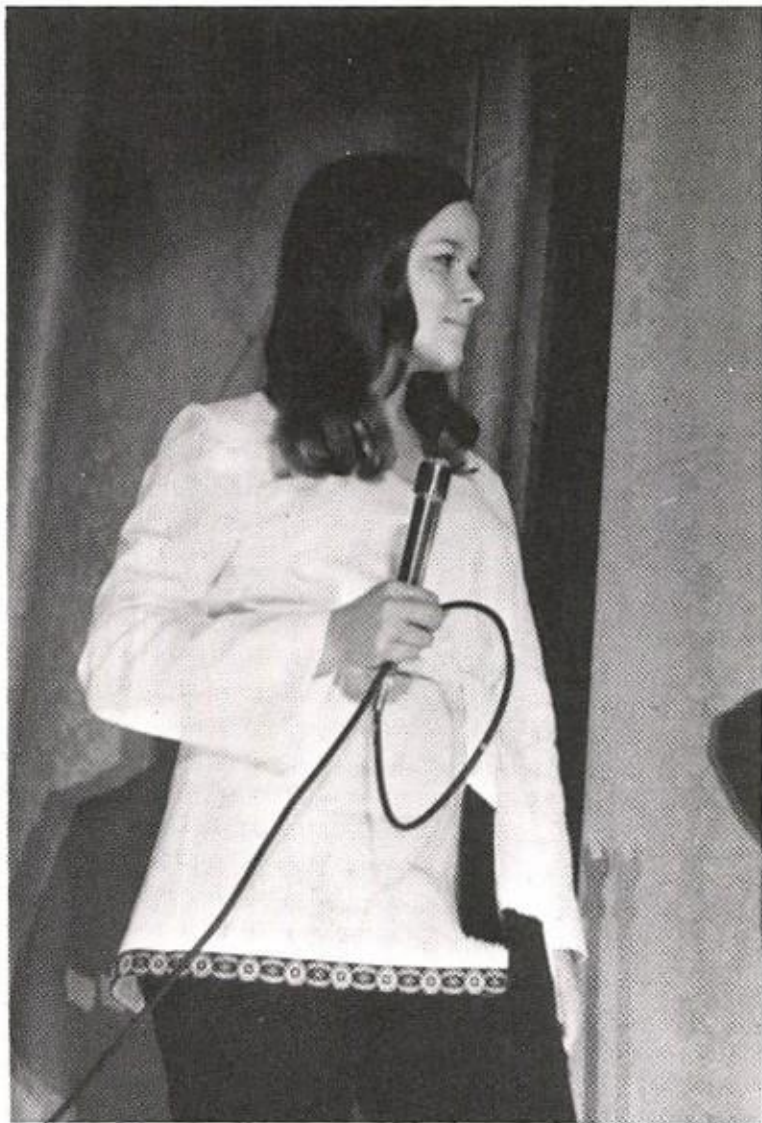

Put your arms around me, baby.

My girdle is killing me.

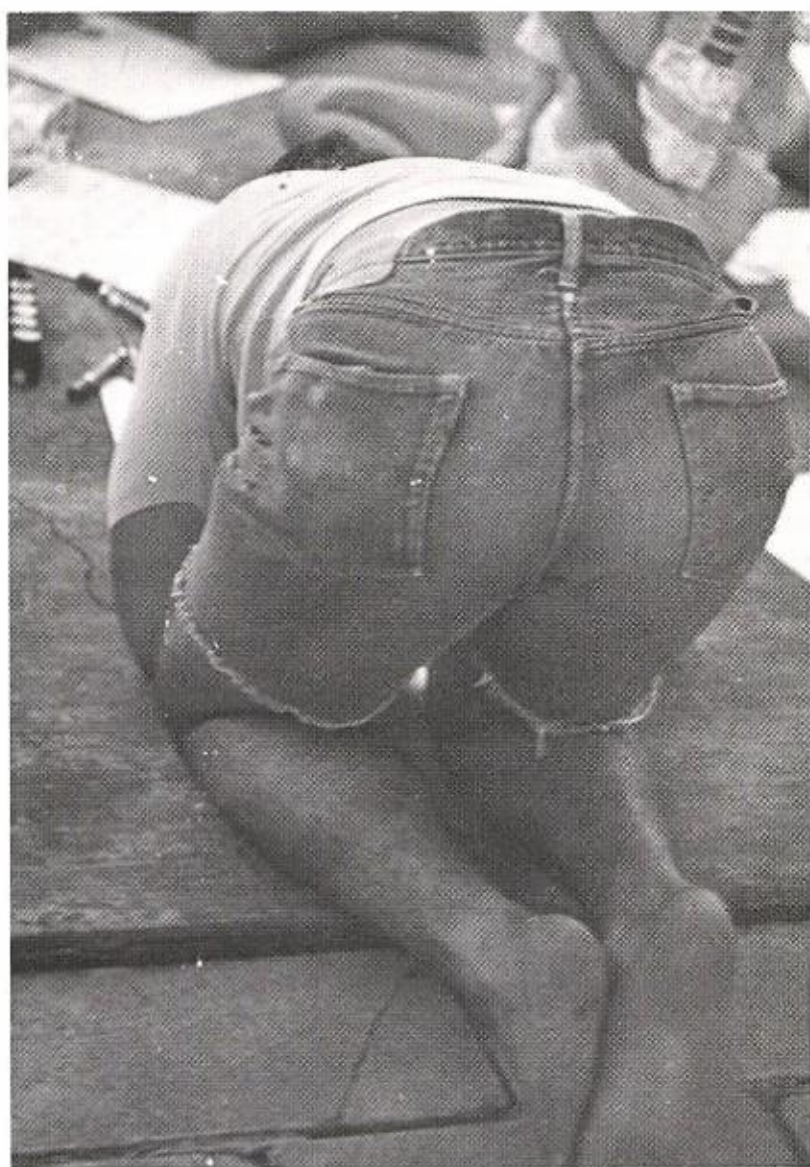

If you take one step closer I'll hit you with my magic wand.

It's the hiakarate that gets me every time.

The end is in sight.

Individuality

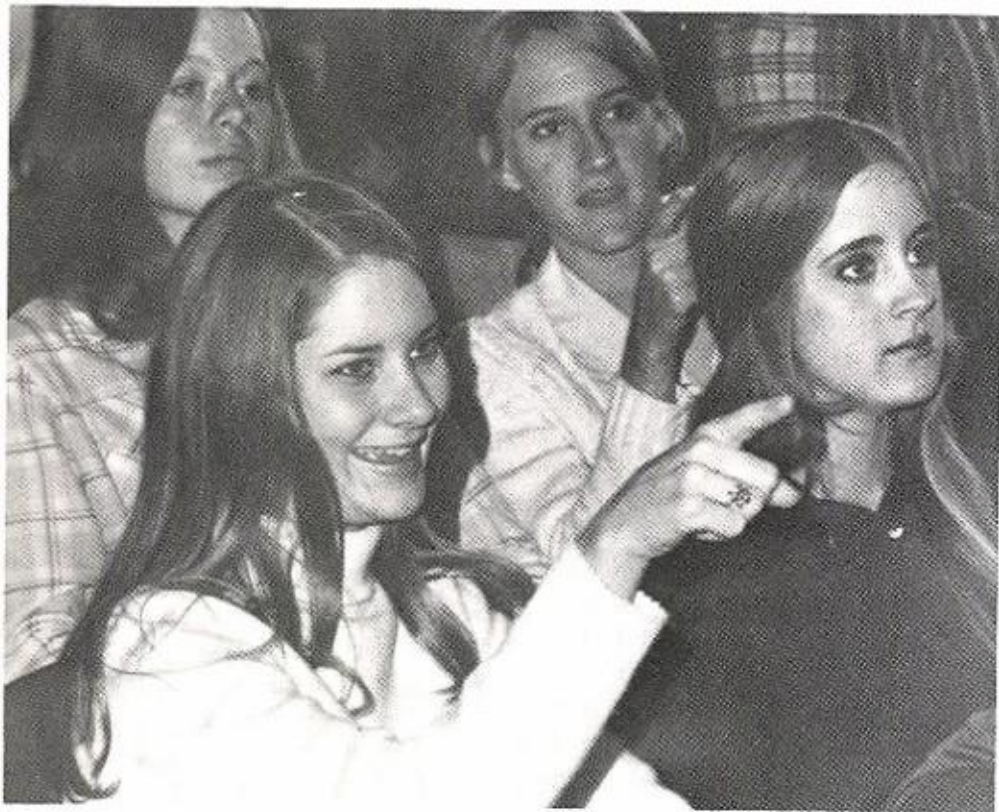

You can't eat just one.

Surprises

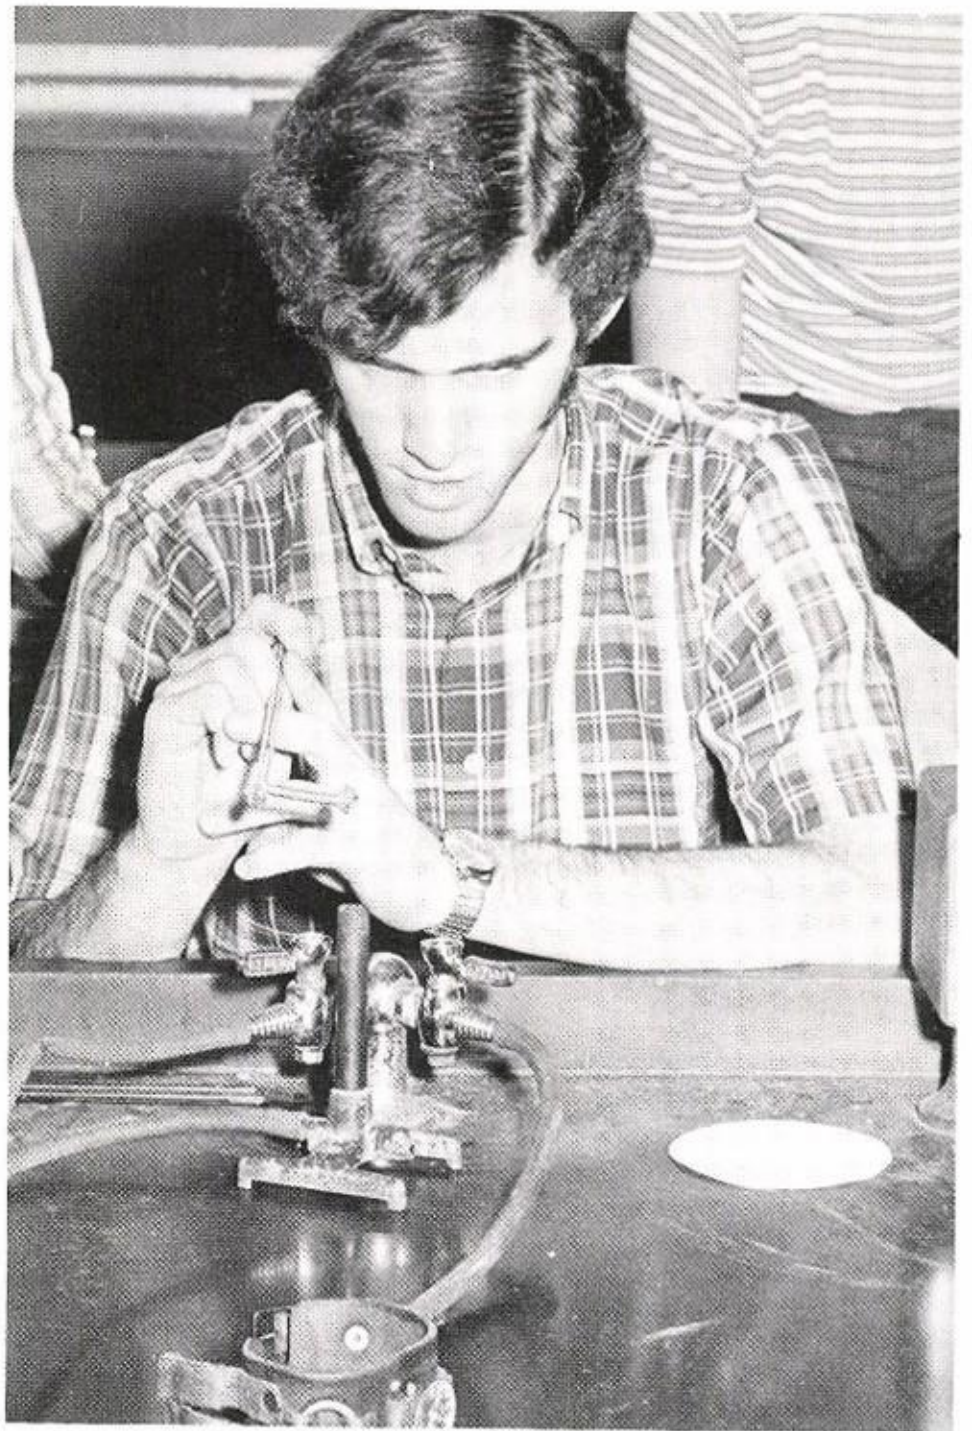

If we didn't have these informal breakfasts I'd never make it to lunch.

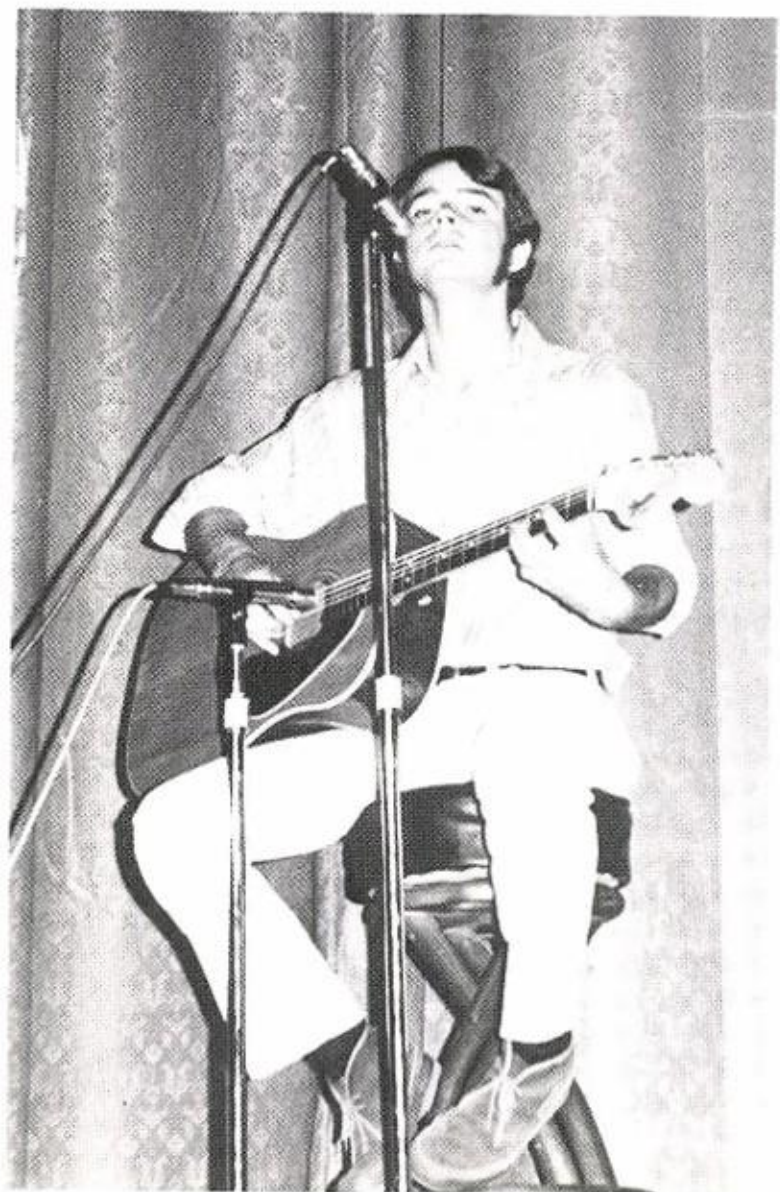

You can always point Sally out in a crowd.

152 Boy, what some people will do just to cover up acne.

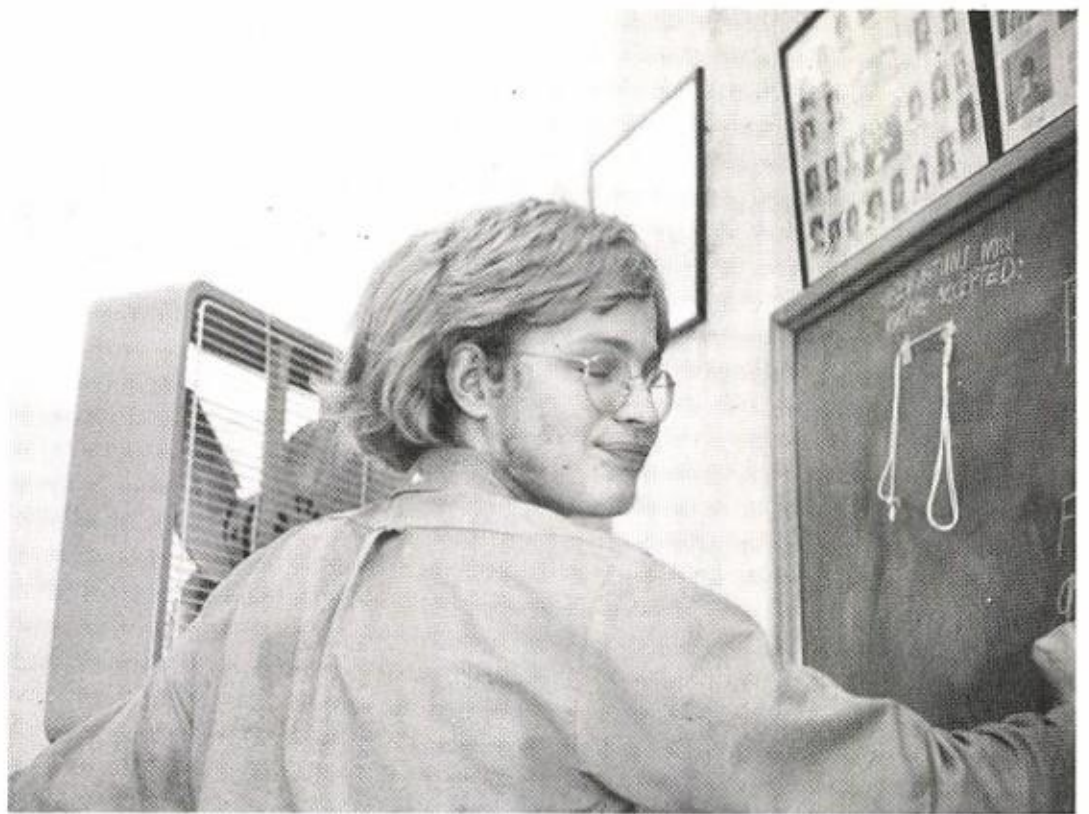

Here we have a typical senior boy, always busy studying?

Hold the cue card just a little higher.

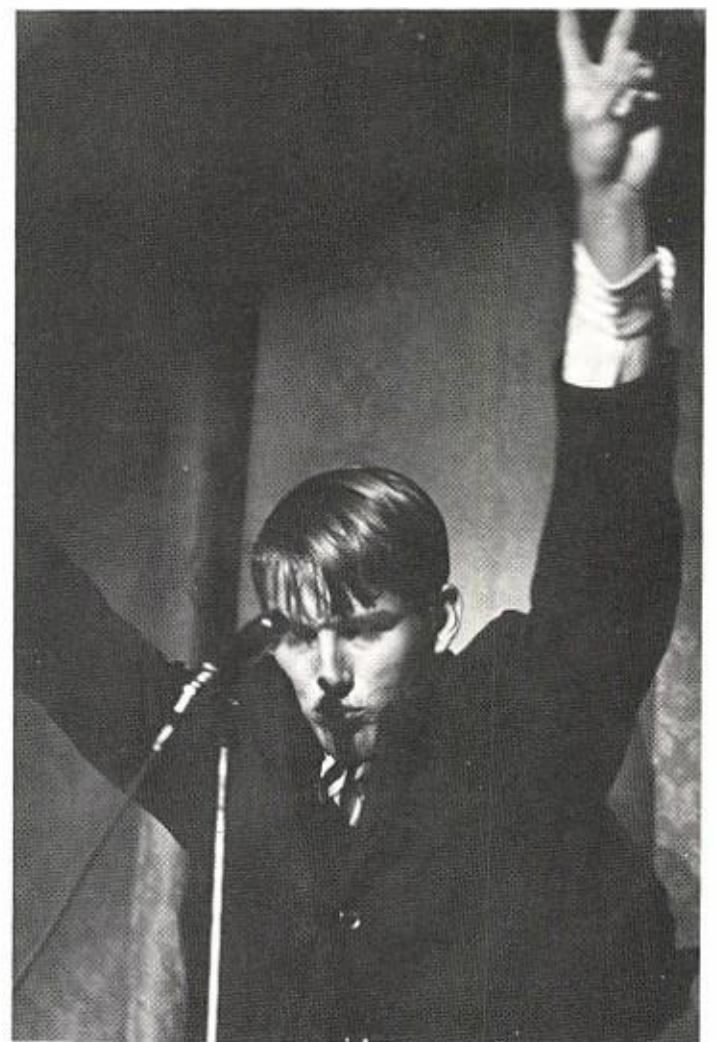

Is my breath that bad?

He caught a Puddie.

Janet Clark, the world's most devoted mopper.

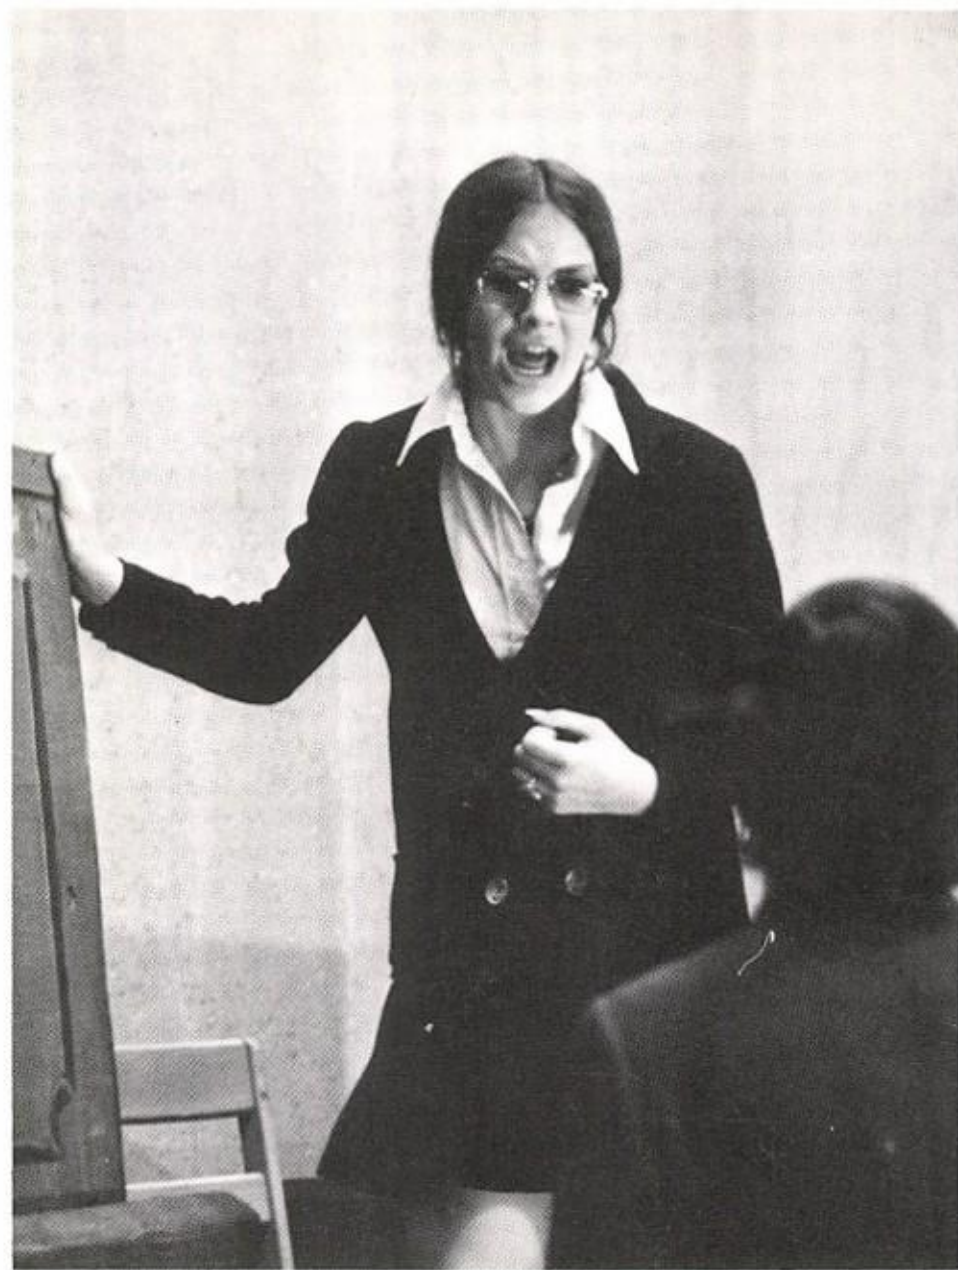

It's Seniors 71!!!

Thoughts

Memories

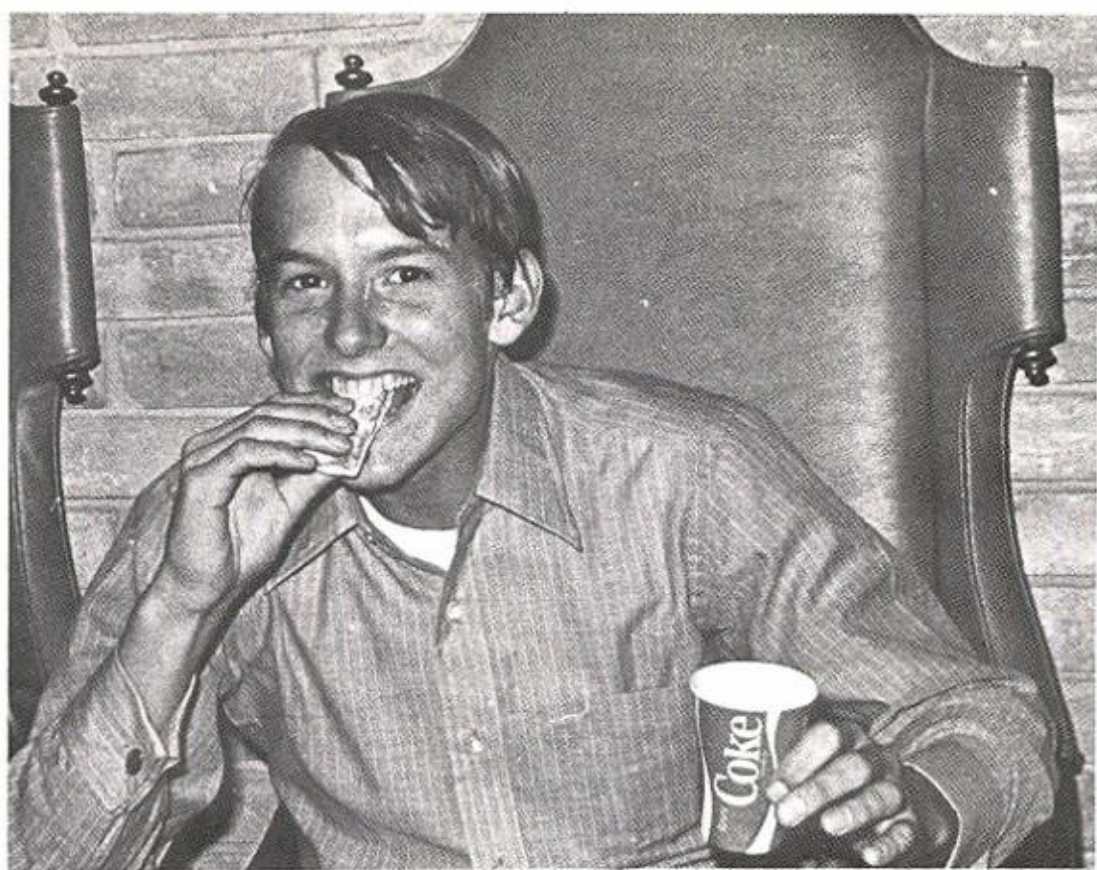

Celia has a little problem with a big wart.

If you ever say that again I'll, I'll . . .

Just one bite and it'll all be over.

Chunky

Kick the habit.

I promise I'll study harder . . . next year.

Yesterday I couldn't do a thing with my fingers.

-
- The image displays a sequence of nine human silhouettes, numbered 1 through 9, illustrating a progression of body shapes. Silhouette 1 is a standard, athletic build. As the number increases, the silhouettes become progressively wider, rounder, and more elongated, representing increasing levels of obesity. Silhouette 9 is the most extreme, showing a very large, rounded body with a prominent belly and thick limbs.

A lot of people take advantage of us!

They take advantage of our convenient location, on Inwood Road near Lovers Lane, our easy drive-thru banking facilities, and our abundant free parking.

At Inwood National Bank the banking climate is different. We understand your business and personal needs.

No wonder so many people take advantage of us.

After all, what other bank
gives them so much to take
advantage of?

Tom,

I hope you have a happy summer.
Work hard next year and the year
after. Hope ~~you~~ meet you in some
of my next year class. So I can
get to know you. See you next
year (hopefully).

M.S.

Uncle Tom,

You had the chance
to EAT ME, but you
missed it. *Stan Goldberg*

*Sorry I stepped on you.
You've got the cutest cheeks.
Ray*

Tom
You

biggest, little
is ever seen. Next
to stay out of people's hair.
Stay out of trouble
